The Insecticides Act, 1968

Statement of Objects and Reasons.-In the months of April and May, 1958, many persons died in the States of Kerala and Madras as a result of food-poisoning arising from contamination of food with a poisonous organo-phosphorous insecticide "Parathion" (Falido]). There were also cases of persons who fell seriously ill though not fatally on account of food-poisoning in the same areas. The Government of India appointed the Kerala and Madras Food-poisoning Cases Enquiry Commission under the chairmanship of Shri Justice J.C. Shah, then a Judge of the High Court of Bombay and

now a Judge of the Supreme Court, to inquire into and report on the circumstances in which the foodstuffs came to be contaminated and the measures to be taken against similar occurrences in future.

2. The recommendations of the Enquiry Commission were accepted by the Government. The Government then appointed an Inter-Ministerial Committee to suggest measures to give effect to the recommendations made by the Commission. Accordingly, the Inter-Ministerial Committee suggested certain short-term and long-term measures. The short-term measures suggested by the Committee have already been given effect to. The long-term measures suggested by the Commission envisaged the enactment of legislation to regulate the manufacture, sale, storage, transport, distribution and use of insecticides including pesticides, herbicides or fungicides in the country.

3. Subsequent to the poisoning cases in 1958 in Kerala and Madras, cases of food-poisoning were also reported in 1962 in Malda and Dinajpur Districts of West Bengal and Assam, respectively, as a result of which 450 persons were crippled by paralysis. Contamination of wheat flour with "tri-ortho-cresyl phosphate" was the cause of poisoning. Cases of food-poisoning were reported in Bombay in January and February, 1963, as a result of ingestion of rice stored in bags which were reportedly sprayed with 5 per cent. Benzene Hexachloride. Reports have also been received about cases of poisoning due to indiscriminate use of organo-phosphorous compounds like Parathion, Malathion, Diazinon, Baytex, etc., which are said to be marketed in concentrated form for extermination of bed bugs. Cases of poisoning resulting from the use of copper sulphate among the shoe-workers of Agra have also been brought to notice.

4. This Bill follows the recommendations of the Commission referred to in paragraph 2. The salient features of this Bill are as follows:

- (i) establishment of a Central Insecticides Board and the setting up of a Committee called the "Registration Committee" for the purpose of granting certificates of registration to persons desiring to import or manufacture insecticides;
- (ii) licensing of persons desiring to manufacture, sell or exhibit for sale or distribute any insecticide;
- (iii) establishment of a Central Insecticide Laboratory for, carrying out certain functions under the Act;
- (iv) prohibition of import, manufacture, sale, etc., of insecticides in contravention of the provisions of the Act;
- (v) regulation of transport and storage of insecticides so as to prevent cases of accidental contamination of food with insecticides;
- (vi) provision for taking immediate action by way of prohibition of sale, distribution or use of any insecticide where it is found that the sale, distribution or use of the insecticide is being done in such a way as to involve risk to human beings or vertebrate animals and where immediate action is necessary.

Amendment Act 46 of 1972-Statement of Objects and Reasons.-The proviso to sub-section (1) of section 9 of the Insecticides Act, 1968 (hereinafter referred to as the Act), requires every person engaged in the business of import or manufacture of any insecticide immediately before the commencement of that section, to make an application to the Registration Committee constituted under the Act within a period of six months from such commencement for the registration of such insecticide. Under the proviso to sub-section (1) of section 13 of the Act, every person engaged in the business of manufacturing or selling, stocking or exhibiting for sale or distributing any insecticide immediately before the commencement of that section is required to make an application within a period of three months from such commencement for the grant of a license to continue such business. The aforesaid sections were brought into force on the 1st August of 1971, and applications for such registration or for the grant of a license should have been made before the 31st of January, 1972 or the 31st October, 1971, as the case may be. It has come to the notice of Government that a large number of importers, manufacturers and other persons specified above had not applied for registration or for registration or for the grant of a license before the date applicable to them. In order to ensure that there is no dislocation in the manufacture, import or sale of insecticides which will affect plant protection measures being taken against pest diseases, it is considered necessary to extend 'the time-limits specified in the provisos to sections 9(1) and 13(1) of the Act up to the 31st December, 1972 and to make the necessary amendments in the Act retrospectively from the 1st August, 1971.

Amendment Act 24 of 1977-Statement of Objects and Reasons.-The Insecticides Act, 1968 was brought into force with effect from 1st August, 1971 with a view to regulating the import, manufacture, sale, transport, distribution and use of insecticides in order to prevent risks to human beings or animals.

2. Under section 9 of the Act every person desiring to import or manufacture any insecticide is required to obtain a certificate of registration from the Registration Committee. The certificate is to be subject to such conditions as may be prescribed by the Central Government. While examining the rules regulating the grant of certificate of registration, the Committee on Subordinate Legislation desired that the conditions of registration be codified and incorporated in the

rules or the Act be amended to delegate the power to specify the conditions of registration to the Registration Committee. Since it was not possible to prescribe any set of conditions, the second alternative of empowering the Registration Committee to specify the conditions of registration is considered to be more feasible and section 9 is proposed to be amended accordingly.

3. Under the Act, applications for registration were required to be disposed of within the time prescribed in the Act. The number of applications being very large, it has not been possible for the Registration Committee to dispose of the applications within the prescribed time. It is proposed to extend the time limit by one year.

4. In the light of the experience gained in the implementation of the Act, it is proposed to enlarge the membership of the Central Insecticides Board by including persons associated with Animal Husbandry, Fisheries, Wild-life, Ecology and Chemicals. It is also proposed to enlarge the scope of section 9 of the Act by making a provision for recall and for the issue of provisional registration certificates.

5. It is also proposed to amend section 13 to provide for differential license fee as well as also for bringing the commercial pest control operations under the purview of licensing.

6. It is also proposed to avail of this opportunity to make certain other amendments in the Act such as the insertion of a provision to the effect that the proceedings of the Central Insecticides Board, Registration Committee and other Committees set up under the Act shall not be questioned on the ground of existence of any vacancy in order to defect in constitution of the Board, the Registration Committee or other Committees and the recasting of the provision for laying of rules before Parliament in line with the pattern which is being adopted in all recent legislation.

Amendment Act 23 of 2000-Objects and Reasons.-The Insecticides Act, 1968 was enacted to regulate the import, manufacture, sale, transport, distribution and use of insecticides with a view to prevent risk to human beings or animals and matters connected therewith.

2. In *Dr. Ashok v. Union of India* [(1997) 5 S.C.C. 10: A.I.R. 1997 S.C. 2298], the Supreme Court has held that once a substance is specified in the Schedule as contemplated under section 3(e)(i), then there is no power for cancelling the registration certificate issued in respect of the same substance even if on scientific study, it appears 'liat the substance in question is grossly detrimental to the human health. This is a lacuna in the legislation itself, and therefore, steps should be taken for appropriate amendment to the legislation. It is, therefore, proposed to amend section 27 of the said Act to remove the said lacuna.

3. In the administration and implementation of the Act, certain difficulties were experienced. To remove the said difficulties, the following further amendments are also proposed:

(i) clause (d) of sub-section (1) of section 21 provides for stopping distribution, sale or use of an insecticide in contravention of the provisions of the Act for a period not exceeding twenty days or unless the alleged contravention is such that the defect may be removed by the possessor of the insecticide, seize the stock of such insecticides. The maximum period of twenty days is proposed to be enhanced to thirty days to make the period of stop sale in conformity with the period of testing of an insecticide;

(ii) as per existing provisions of sub-section (3) of section 22, the payment is required to be made for the samples at the time it is drawn including the samples found to be misbranded. It is, therefore, proposed to amend section 22 to provide for payment of the sample only, if after the test or analysis, it is not found to be misbranded;

(iii) in order to make the period of test or analysis in conformity with the stop distribution, sale or use, sub-section (1) of section 24 is being amended to make it compulsory for the Insecticide Analyst to deliver to the Insecticide Inspector a signed report of test or analysis within a period of thirty days. Similarly, it is proposed to fix time limit for testing of a sample by the Central Insecticide Laboratory with a period of thirty days;

(iv) it is experienced that punishment under section 29 of the Act is not stringent enough. Therefore, it is proposed to amend:-

(a) sub-section (1) of section 29 to provide minimum punishment of ten thousand rupees which may extend up to fifty thousand rupees for first offence and a minimum punishment of fifteen thousand rupees which may extend up to seventy-five thousand rupees for the second and subsequent offences;

(b) sub-section (2) of section 29 to provide for a minimum fine of five hundred rupees which may extend up to five thousand rupees or imprisonment for six months or with both;

(c) sub-section (3) of section 29 to provide for a minimum fine of five thousand rupees which may extend up to twenty-five thousand rupees or with imprisonment which may extend to one year or with both for first offence. For the second and subsequent offence with a minimum fine of ten thousand rupees which may extend up to fifty thousand

rupees or with imprisonment which may extend up to two years or with both;

(v) it is also observed that trials in the Courts take a long time and conviction for misbranded insecticides is not possible without trial. At the same time, manufacturers or dealers continue to manufacture or trade in misbranded insecticides. In order to provide for speedy trial of offences, the State Governments are proposed to be empowered to notify special Courts for speedy trial of offences relating to violation of the said Act by amending sub-section (2) of section 31 of the Act.

[2nd September, 1968]

An Act to regulate the import, manufacture, sale, transport, distribution and use of insecticides with a view to prevent risk to human beings or animals, and for matters connected therewith.

Be it enacted by Parliament in the Nineteenth Year of the Republic of India as follows:-

Sections 4, 7, 8 and 36 brought into force on 1.3.1971 vide G.S.R. 300, dated 27.2.1971 and all the remaining provisions on 1.8.1971 vide G.S.R. 1108, dated 28.7.1971.

Provided that the persons nominated under clauses (xvii) and (xviii) shall hold office only for so long as they hold the appointments by virtue of which their nominations were made.

(5)

[No act or proceeding of the Board, the Registration Committee or any Committee appointed under section 6, shall be called in question on the ground merely of the existence of any vacancy in, or any defect in the constitution of, the Board, the Registration Committee or such Committee, as the case may be.]

[Substituted by Act 24 of 1977, Section 2, for sub-S. (5) (w.e.f. 2.8.1977).]

5.

Registration Committee.-(1) The Central Government shall constitute a Registration Committee consisting of a Chairman, and not more than five persons who shall be members of the Board (including the Drugs Controller, India and the Plant Protection Adviser to the Government of India)-

(i)

to register insecticides after scrutinising their formulae and verifying claims made by the importer or the manufacturer, as the case may be, as regards their efficacy and safety to human beings and animals; and

(ii)

to perform such other functions as are assigned to it by or under this Act.

(2)

Where the Chairman is not a member of the Board, his term of office and other conditions of service shall be such as may be determined by the Central Government.

(3)

Subject to the provisions of sub-section (2), a member of the Registration Committee shall hold office for so long as he is a member of the Board.

(4)

The Committee may also co-opt such number of experts and for such purpose or period as it may deem fit, but any

expert so co-opted shall have no right to vote.

(5)

The Registration Committee shall regulate its own procedure and the conduct of business to be transacted by it.

6.

Other Committees

.-The Board may appoint such Committees as it deems fit and may appoint to them persons who are not members of the Board, to exercise such powers and perform such duties as may, subject to such conditions, if any, as the Board may impose, be delegated to them by the Board.

7.

Procedure for Board.-The Board may, subject to the previous approval of the Central Government, make bye-laws for the purpose of regulating its own procedure and the procedure of any Committee thereof and the conduct of all business to be transacted by it or such Committee.

8.

Secretary and other officers

.-The Central Government shall-

(i)

appoint a person to be the Secretary of the Board who shall also function as Secretary to the Registration Committee; and

(ii)

provide the Board and the Registration Committee with such technical and other staff as the Central Government considers necessary.

9.

Registration of insecticides

.- (1) Any person desiring to import or manufacture any insecticide may apply to the Registration Committee for the registration of such insecticide and there shall be a separate application for each such insecticide:

Provided that any person engaged in the business of import or manufacture of any insecticide immediately before the commencement of this section shall make an application to the Registration Committee within a period of [seventeen months] from the date of such commencement for the registration of any insecticide which he has been importing or manufacturing before that date:

[Provided further that where any person referred to in the preceding proviso fails to make an application under that proviso within the period specified therein, he may make such application at any time thereafter on payment of a penalty of one hundred rupees for every month or part thereof after the expiry of such period for the registration of each such insecticide.]

[Inserted by Act 46 of 1972, Section 2 (w.r.e.f. 1.8.1971).]

(2)

Every application under sub-section (1) shall be made in such form and contain such particulars as may be prescribed.

(3)

On receipt of any such application for the registration of an insecticide, the Committee may, after such enquiry as it deems fit and after satisfying itself that the insecticide to which the application relates conforms to the claims made by the importer or by the manufacturer, as the case may be, as regards the efficacy of the insecticide and its safety to human beings and animals, register, [on such conditions as may be specified by it]

[Substituted by Act 24 of 1977, Section 3, for " on such conditions" (w.e.f. 2.8.1977).]

and on payment of such fee as may be prescribed, the insecticide, allot a registration number thereto and issue a certificate of registration in token thereof within a period of twelve months from the date of receipt of the application:

Provided that the Committee may, if it is unable within the said period to arrive at a decision on the basis of the materials placed before it, extend the period by a further period not exceeding six months:

Provided further that if the Committee is of opinion that the precautions claimed by the applicant as being sufficient to ensure safety to human beings or animals are not such as can be easily observed or that notwithstanding the observance of such precautions the use of the insecticide involves serious risk to human beings or animals, it may refuse to register the insecticide.

[(3-A) In the case of applications received by it prior to the 31st day of March, 1975, notwithstanding the expiry of the

period specified in sub-section (3) for the disposal of such applications, it shall be lawful and shall be deemed always to have been lawful for the Registration Committee to dispose of such applications at any time after such expiry but within a period of one year from the commencement of the Insecticides (Amendment) Act, 1977:

Provided that nothing contained in this sub-section shall be deemed to make any contravention before the commencement of the Insecticides (Amendment) Act, 1977, of a condition of a certificate of registration granted before such commencement, an offence punishable under this Act.

(3-B) Where the Registration Committee is of opinion that the insecticide is being introduced for the first time in India, it may, pending any enquiry, register it provisionally for a period of two years on such conditions as may be specified by it.

(3-C) The Registration Committee may, having regard to the efficacy of the insecticide and its safety to human beings and animals, vary the conditions subject to which a certificate of registration has been granted and may for that purpose require the certificate holder by notice in writing to deliver up the certificate to it within such a time as may be specified in this notice.]

[Inserted by Act 24 of 1977, Section 3 (w.e.f. 2.8.1977).]

(4)

Notwithstanding anything contained in this section, where an insecticide has been registered on the application of any person, any other person desiring to import or manufacture the insecticide or engaged in the business of, import or manufacture thereof shall on application and on payment of prescribed fee be allotted a registration number and granted a certificate of registration in respect thereof on the same conditions on which the insecticide was originally registered.

10.

Appeal against non-registration or cancellation.- Any person aggrieved by a decision of the Registration Committee under section 9 may, within a period of thirty days from the date on which the decision is communicated to him, appeal in the prescribed manner and on payment of the prescribed fee to the Central Government whose decision thereon shall be final:

Provided that the Central Government may entertain an appeal after the expiry of the said period, if it is satisfied that the appellant was prevented by sufficient cause from filing the appeal in time.

11.

Power of revision of Central Government.-

The Central Government may, at any time, call for the record relating to any case in which the Registration Committee has given a decision under section 9 for the purpose of satisfying itself as to the legality or propriety of any such decision and may pass any such order in relation thereto as it thinks fit:

Provided that no such order shall be passed after the expiry of one year from the date of the decision:

Provided further that the Central Government shall not pass any order pre-judicial to any person unless that person has had a reasonable opportunity of showing cause against the proposed order.

12.

Licensing Officers.-

The State Government may, by notification in the Official Gazette, appoint such persons as it thinks fit to be licensing officers for the purposes of this Act and define the areas in respect of which they shall exercise jurisdiction.

13.

Grant of license.-

(1)

Any person desiring to manufacture or to sell, stock or exhibit for sale or distribute any insecticide, [or to undertake commercial pest control operations with the use of any Insecticide], may make an application to the licensing officer for the grant of a license:

Provided that any person engaged in the business of manufacturing or selling, stocking or exhibiting for sale or distributing any insecticide immediately before the commencement of this section shall make an application to the licensing officer for the grant of a license within a period of [seventeen months]

[Substituted by Act 46 of 1972, Section 3, for " three months" (w.r.e.f. 1.8.1971).]

from the date of such commencement:

[Provided further that any person engaged in the commercial pest control operations immediately before the commencement of the Insecticides (Amendment) Act, 1977, shall make an application to the licensing officer for the grant of a license within a period of six months from the commencement

of the said Act.]

[Inserted by Act 24 of 1977, Section 4 (w.e.f. 2.8.1977).]

(2)

Every application under sub-section (1) shall be made in such form and shall contain such particulars as may be prescribed.

(3)

On receipt on any such application for the grant of a license, the licensing officer may grant a license in such form, on such conditions and on payment of such fee as may be prescribed.

(4)

A license granted under this section shall be valid for the period specified therein and may be renewed from time to time for such period and on payment of such fee as may be prescribed:

Provided that where a license has been granted to any person who has made an application under [the first proviso or, as the case may be, the second proviso]

[Substituted by Act 46 of 1972, Section 4, for " the proviso" (w.e.f. 1.8.1971).]

to sub-section (1), that license shall be deemed to be cancelled in relation to any insecticide, the application for registration whereof has been refused or the registration whereof has been cancelled, under this Act, with effect from the date on which such refusal or cancellation is notified in the Official Gazette.

(5)

[In prescribing fees for the grant or renewal of licenses under this section, different fees may be prescribed for the sale or distribution of insecticides for purposes of domestic use and for other purposes.]

[Inserted by Act 24 of 1977, Section 4 (w.e.f. 2.8.1977).]

14.

Revocation, suspension and amendment of licenses.-

(1)

If the licensing officer is satisfied, either on a reference made to him in this behalf or otherwise, that-

(a)

the license granted under section 13 has been granted because of misrepresentation as to an essential fact; or

(b)

the holder of a license has failed to comply with the conditions subject to which the license was granted or has contravened any of the provisions of this Act or the rules made thereunder, then, without prejudice to any other penalty to which the holder of the license may be liable under this Act, the licensing officer may, after giving the holder of the license an opportunity of showing cause, revoke or suspend the license.

(2)

Subject to any rules that may be made in this behalf, the licensing officer may also vary or amend a license granted under section 13.

15.

Appeal against the decision of a licensing officer.-

(1)

Any person aggrieved by a decision of a licensing officer under section 13 except under the proviso to sub-section (4) or section 14 may, within a period of thirty days from the date on which the decision is communicated to him, appeal to such authority in such manner and on payment of such fee as may be prescribed:

Provided that the appellate authority may entertain an appeal after the expiry of the said period if it is satisfied that the appellant was prevented by sufficient cause from filing the appeal in time.

(2)

On receipt of an appeal under sub-section (1), the appellate authority shall, after giving the appellant an opportunity of showing cause, dispose of the appeal ordinarily within a period of six months and the decision of the appellate authority shall be final.

16.

Central Insecticides Laboratory.-

The Central Government may, by notification in the Official Gazette, establish a Central Insecticides Laboratory under the control of a Director to be appointed by the Central Government to carry out the functions entrusted to it by or under

this Act:

Provided that if the Central Government so directs by a notification in the Official Gazette, the functions of the Central Insecticides Laboratory shall, to such extent as may be specified in the notification, be carried out at any such institution as may be specified therein and thereupon the functions of the Director of the Central Insecticides Laboratory shall, to the extent so specified, be exercised by the head of that institution.

17.

Prohibition of import and manufacture of certain insecticides.-

(1)

No person shall, himself or by any person on his behalf, import or manufacture-

(a)

any misbranded insecticide;

(b)

any insecticide the sale, distribution or use of which is for the time being prohibited under section 27;

(c)

any insecticide except in accordance with the conditions on which it was registered;

(d)

any insecticide in contravention of any other provision of this Act or of any rule made thereunder:

Provided that any person who has applied for registration of an insecticide [under any of the provisos] to sub-section (1) of section 9 may continue to import or manufacture any such insecticide and such insecticide shall not be deemed to be a misbranded insecticide within the meaning of sub-clause (vi) or sub-clause (vi) or sub-clause (viii) of clause (k) of section 3, until he has been informed by the Registration Committee of its decision to refuse to register the said insecticide.

(2)

No person shall, himself or by any person on his behalf, manufacture any insecticide except under, and in accordance with the conditions of, a license issued for such purpose under this Act.

18.

Prohibition of sale, etc., of certain insecticides.-

(1)

No person shall, himself or by any person on his behalf, sell, stock or exhibit for sale, distribute, [transport, use, or cause to be used] by any worker-

(a)

any insecticide which is not registered under this Act;

(b)

any insecticide, the sale, distribution or use of which is for the time being prohibited under section 27;

(c)

any insecticide in contravention of any other provision of this Act or of any rule made thereunder.

(2)

No person shall, himself or by any person on his behalf, sell, stock or exhibit for sale or distribute [or use for commercial pest control operations]

[Inserted by Act 24 of 1977, Section 5 (w.e.f. 2.8.1977).]

any insecticide except under, and in accordance with the conditions of, a license issued for such purpose under this Act.

Explanation.-For the purposes of this section an insecticide in respect of which any person has applied for a certificate of registration [under any of the provisos]

[Substituted by Act 46 of 1972, Section 5, for " under the proviso" (w.r.e.f. 1.8.1971).]

to sub-section (1) of section 9, shall be deemed to be registered till the date on which the refusal to register such insecticide is notified in the Official Gazette.

19.

Insecticide Analysts.-

The Central Government or a State Government may, by notification in the Official Gazette, appoint persons in such number as it thinks fit and possessing such technical and other qualifications as may be prescribed to be Insecticide Analysts for such areas and in respect of such insecticides or class of insecticides as may be specified in the

notification:

Provided that no person who has any financial interest in the manufacture, import or sale of any insecticide, shall be so appointed.

20.

Insecticide Inspectors.-

(1)

The Central Government or a State Government may, by notification in the Official Gazette, appoint persons in such number as it thinks fit and possessing such technical and other qualifications as may be prescribed to be Insecticide Inspectors for such areas as may be specified in the notification:

Provided that any person who does not possess the required qualifications may be so appointed only for the purposes of clause (a) and clause (d) of sub-section (1) of section 21:

Provided further that no person who has any financial interest in the manufacture, import or sale of any insecticide, shall be so appointed.

(2)

Every Insecticide Inspector shall be deemed to be a public servant within the meaning of section 21 of the Indian Penal Code (45 of 1860) and shall be officially subordinate to such authority as the Government appointing him, may specify in this behalf.

21.

Powers of Insecticide Inspectors.-

(1)

An Insecticide Inspector shall have power-

(a)

to enter and search, at all reasonable times and with such assistance, if any, as he considers necessary, any premises in which he has reason to believe that an offence under this Act or the rules made thereunder has been or is being or is about to be committed, or for the purpose of satisfying himself that the provisions of this Act or the rules made thereunder or the conditions of any certificate of registration or license issued thereunder are being complied with;

(b)

to require the production of, and to inspect, examine and make copies of, or take extracts from, registers, records or other documents kept by a manufacturer, distributor, carrier, dealer or any other person in pursuance of the provisions of this Act or the rules made thereunder and seize the same, if he has reason to believe that all or any of them, may furnish evidence of the commission of an offence punishable under this Act or the rules made thereunder;

(c)

to make such examination and inquiry as he thinks fit in order to ascertain whether the provisions of this Act or the rules made thereunder are being complied with and for that purpose stop any vehicle;

(d)

to stop the distribution, sale or use of an insecticide which he has reason to believe is being distributed, sold or used in contravention of the provisions of this Act or the rules made thereunder, for a specified period not exceeding [thirty] days, or unless the alleged contravention is such that the defect may be removed by the possessor of the insecticide, seize the stock of such insecticide;

(e)

to take samples of any insecticide and send such samples for analysis to the Insecticide Analyst for test in the prescribed manner; and

(f)

to exercise such other powers as may be necessary for carrying out the purposes of this Act or the rules made thereunder.

(2)

[The provisions of the Code of Criminal Procedure, 1973 (2 of 1974) shall, as far as may be, apply to any search or seizure under this Act as they apply to any search or seizure made under the authority of a warrant issued under section 94 of the said Code.]

[Substituted by Act 24 of 1977, Section 6, for sub-S. (2) (w.e.f. 2.8.1977).]

(3)

An Insecticide Inspector may exercise the powers of a police officer under [section 42 of the Code of Criminal Procedure, 1973 (2 of 1974)]

[Substituted by Act 24 of 1977, Section 6, for " section 57 of the Code of Criminal Procedure, 1898 (5 of 1898)" (w.e.f. 2.8.1977).]

, for the purpose of ascertaining the true name and residence of the person from whom a sample is taken or an insecticide is seized.

22.

Procedure to be followed by Insecticide Inspectors.-

(1)

Where an Insecticide Inspector seizes any record, register or document under clause () of sub-section (1) of section 21, he shall, as soon as may be, inform a Magistrate and take his orders as to the custody thereof.

(2)

Where an Insecticide Inspector takes any action under clause () of sub-section (1) of section 21-

(a)

he shall use all despatch in ascertaining whether or not the insecticide or its sale, distribution or use contravenes any of the provisions of section 18 and if it is ascertained that the insecticide or its sale, distribution or use does not so contravene, forthwith revoke the order passed under the said clause or, as the case may be, take such action as may be necessary for the return of the stock seized;

(b)

if he seizes the stock of the insecticide he shall, as soon as may be, inform a Magistrate and take his orders as to the custody thereof;

(c)

without prejudice to the institution of any prosecution, if the alleged contravention be such that the defect may be remedied by the possessor of the insecticide, he shall, on being satisfied that the defect has been so remedied, forthwith revoke his order and in case where the Insecticide Inspector has seized the stock of insecticide, he shall, as soon as may be, inform a Magistrate and obtain his orders as to the release thereof.

(3)

[Where an Insecticide Inspector takes any sample of an insecticide, he shall issue a receipt therefor stating therein that the fair price of such sample shall be tendered if the sample, after test or analysis is not found to be misbranded and the Insecticide Analyst has reported to that effect and on such price having been tendered may require a written acknowledgment therefor.]

(4)

[* * *]

[The words " Where the price tendered under sub-section (3) is refused, or" omitted by Act 23 of 2000, Section 3 (w.e.f. 5.8.2000).]

where the Insecticide Inspector seizes the stock of any insecticide under clause (d) of sub-section (1) of section 21, he shall tender a receipt therefor in the prescribed form.

(5)

Where an Insecticide Inspector takes a sample of an insecticide for the purpose of test or analysis, he shall intimate such purpose in writing in the prescribed form to the person from whom he takes it and, in the presence of such person unless he wilfully absents himself, shall divide the sample into three portions and effectively seal and suitably mark the same and permit such person to add his own seal and mark to all or any of the portions so sealed and marked:

Provided that where the insecticide is made up in containers of small volume, instead of dividing a sample as aforesaid, the Insecticide Inspector may, and if the insecticide be such that it is likely to deteriorate or be otherwise damaged by exposure shall, take three of the said containers after suitably marking the same and, where necessary, sealing them.

(6)

The Insecticide Inspector shall restore one portion of a sample so divided or one container, as the case may be, to the person from whom he takes it and shall retain the remainder and dispose of the same as follows:-

(i)

one portion or container, he shall forthwith send to the Insecticide Analyst for test or analysis; and

(ii)

the second, he shall produce to the Court before which proceedings, if any, are instituted in respect of the insecticide.

23.

Persons bound to disclose place where insecticides are manufactured or kept.-

Every person for the time being in charge of any premises where any insecticide is being manufactured or is kept for sale or distribution shall, on being required by an Insecticide Inspector so to do, be legally bound to disclose to the Insecticide Inspector the place where the insecticide is being manufactured or is kept, as the case may be.

24.

Report of Insecticide Analyst.-

(1)

The Insecticide Analyst to whom a sample of any insecticide has been submitted for test or analysis under sub-section (6) of section 22, shall, within a period of [thirty] days, deliver to the Insecticide Inspector submitting it a signed report in duplicate in the prescribed form.

(2)

The Insecticide Inspector on receipt thereof shall deliver one copy of the report to the person from whom the sample was taken and shall retain the other copy for use in any prosecution in respect of the sample.

(3)

Any document purporting to be a report signed by an Insecticide Analyst shall be evidence of the facts stated therein, and such evidence shall be conclusive unless the person from whom the sample was taken has within twenty-eight days of the receipt of a copy of the report notified in writing the Insecticide Inspector or the Court before which any proceedings in respect of the sample are pending that he intends to adduce evidence in controversion of the report.

(4)

Unless the sample has already been tested or analysed in the Central Insecticides Laboratory, where a person has under sub-section (3) notified his intention of adducing evidence in controversion of the Insecticide Analyst's report, the Court may, of its own motion or in its discretion at the request either of the complainant or of the accused, cause the sample of the insecticide produced before the Magistrate under sub-section (6) of section 22 to be sent for test or analysis to the said laboratory [which shall, within a period of thirty days, which shall make the test or analysis]

[Substituted by Act 23 of 2000, Section 4, for " which shall make the test or analysis" (w.e.f. 5.8.2000).]

and report in writing signed by, or under the authority of, the Director of the Central Insecticides Laboratory the result thereof, and such report shall be conclusive evidence of the facts stated therein.

(5)

The cost of a test or analysis made by the Central Insecticides Laboratory under sub-section (4) shall be paid by the complainant or the accused, as the Court shall direct.

25.

Confiscation.-

(1)

Where any person has been convicted under this Act for contravening any of the provisions of this Act or of the rules made thereunder, the stock of the insecticide in respect of which the contravention has been made, shall be liable to confiscation.

(2)

Without prejudice to the provisions contained in sub-section (1), where the Court is satisfied on the application of an Insecticide Inspector or otherwise and after such inquiry as may be necessary, that the insecticide is a misbranded insecticide, such insecticide shall be liable to confiscation.

26.

Notification of poisoning.-

The State Government may, by notification in the Official Gazette, require any person or class of persons specified therein to report all occurrences of poisoning (through the use or handling of any insecticide) coming within his or their cognizance to such officer as may be specified in the said notification.

27.

Prohibition of sale, etc., of insecticides for reasons of public safety.-

(1)

If, on receipt of a report under section 26 or otherwise, the Central Government or the State Government is of opinion,

for reasons to be recorded in writing, that use of any insecticide specified in [* * *] clause (e) of section (3) or any specific batch thereof is likely to involve such risk to human beings or animals as to render it expedient or necessary to take immediate action then that Government may, by notification in the Official Gazette, prohibit the sale, distribution or use of the insecticide or batch, in such area, to such extent and for such period (not exceeding sixty days) as may be specified in the notification pending investigation into the matter:

Provided that where the investigation is not completed within the said period, the Central Government or the State Government, as the case may be, may extend it by such further period or periods not exceeding thirty days in the aggregate as it may specify in a like manner.

(2)

If, as a result of its own investigation or on receipt of the report from the State Government, and after consultation with the Registration Committee, the Central Government is satisfied that the use of the said insecticide or batch is or is not likely to cause any such risk, it may pass such order (including an order refusing to register the insecticide or cancelling the certificate of registration, if any, granted in respect thereof), as it deems fit, depending on the circumstances of the case.

28.

Notification of cancellation of registration, etc.-

A refusal to register any insecticide or a cancellation of the certificate of registration of any insecticide shall be notified in the Official Gazette and in such other manner as may be prescribed.

29.

Offences and punishment.-

(1)

Whoever,-

(a)

imports, manufactures, sells, stocks or exhibits for sale or distributes any insecticide deemed to be misbranded under sub-clause (i) or sub-clause (iii) or sub-clause (viii) of clause (k) of section 3; or

(b)

imports or manufactures any insecticide without a certificate of registration; or

(c)

manufactures, sells, stocks or exhibits for sale or distributes an insecticide without a license; or

(d)

sells or distributes an insecticide, in contravention of section 27; or

(e)

causes an insecticide, the use of which has been prohibited under section 27, to be used by any worker; or

(f)

obstructs an Insecticide Inspector in the exercise of his powers or discharge of his duties under this Act or the rules made thereunder, [shall be punishable-

(i)

for the first offence, with imprisonment for a term which may extend to two years, or with fine which shall not be less than ten thousand rupees but which may extend to fifty thousand rupees, or with both;

(ii)

for the second and a subsequent offence, with imprisonment for a term which may extend to three years, or with fine which shall not be less than fifteen thousand rupees but which may extend to seventy-five thousand rupees, or with both.]

(2)

Whoever uses an insecticide in contravention of any provision of this act or any rule made thereunder shall be punishable with fine [which shall not be less than five hundred rupees but which may extend to five thousand rupees, or imprisonment for a term which may extend to six months, or with both.]

[Substituted by Act 23 of 2000, Section 6, for " which may extend to five hundred rupees" (w.e.f. 5.8.2000).]

(3)

Whoever contravenes any of the other provisions of this Act or any rule made thereunder or any condition of a certificate of registration or license granted thereunder, shall be punishable-

(i)

for the first offence, with imprisonment for a term which may extend to [one year, or with fine which shall not be less than five thousand rupees but which may extend to twenty-five thousand rupees, or with both]

[Substituted by Act 23 of 2000, Section 6, for " six months, or with fine, or with both" (w.e.f. 5.8.2000).]

;

(ii)

for the second and a subsequent offence, with imprisonment for a term which may extend to [two years, or with fine which shall not be less than ten thousand rupees but which may extend to fifty thousand rupees, or with both]

[Substituted by Act 23 of 2000, Section 6, for " one year, or with fine, or with both" (w.e.f. 5.8.2000).]

.

(4)

If any person convicted of an offence under this Act commits a like offence afterwards it shall be lawful for the Court before which the second or subsequent conviction takes place to cause the offender's name and place of residence, the offence and the penalty imposed to be published in such newspapers or in such other manner as the Court may direct.

30.

Defences which may or may not be allowed in prosecutions under this Act.-

(1)

Save as hereinafter provided in this section, it shall be no defence in a prosecution under this Act to prove merely that the accused was ignorant of the nature or quality of the insecticide in respect of which the offence was committed or of the risk involved in the manufacture, sale or use of such insecticide or of the circumstances of its manufacture or import.

(2)

For the purposes of section 17, an insecticide shall not be deemed to be misbranded only by reason of the fact that-

(a)

there has been added thereto some innocuous substance or ingre-dient because the same is required for the manufacture or the preparation of the insecticide as an article of commerce in a state fit for carriage or consumption, and not to increase the bulk, weight or measure of the insecticide or to conceal its inferior quality or other defect; or

(b)

in the process of manufacture, preparation or conveyance some extraneous substance has unavoidably become intermixed with it.

(3)

A person not being an importer or a manufacturer of an insecticide or his agent for the distribution thereof, shall not be liable for a contravention of any provision of this Act, if he proves-

(a)

that he acquired the insecticide from an importer or a duly licensed manufacturer, distributor or dealer thereof;

(b)

that he did not know and could not, with reasonable diligence, have ascertained that the insecticide in any way contravened any provision of this Act; and

(c)

that the insecticide, while in his possession, was properly stored and remained in the same state as when he acquired it.

31.

Cognizance and trial of offences.-

(1)

No prosecution for an offence under this Act shall be instituted except by, or with the written consent of, the State Government or a person authorised in this behalf by the State Government.

(2)

No Court inferior to that of a [Metropolitan Magistrate or a Judicial Magistrate of the first class] shall try any offence under this Act.

[

31-A.Special Courts

.-

(1)

If the State Government is satisfied that it is necessary for the purpose of providing for speedy trial of offences under this Act in any district or metropolitan area, it may, by notification in the Official Gazette and after consultation with the High Court, notify one or more Courts of Judicial Magistrates of the first class, or, as the case may be, Metropolitan Magistrates, in such district or metropolitan area to be Special Courts for the purposes of this Act.

(2)

Unless otherwise directed by the High Court, a Court notified under sub-section (1) shall exercise jurisdiction only in respect of cases under this Act.

(3)

Subject to the provisions of sub-section (2), the jurisdiction and powers of the presiding officer of Court notified under sub-section (1) in any district or metropolitan area shall extend throughout the district or the metropolitan area, as the case may be.

(4)

Subject to the foregoing provisions of this section, a Court notified under sub-section (1) in any district or metropolitan area shall be deemed to be a Court established under sub-section (1) of section 11, or, as the case may be, sub-section (1) of section 16 of the Code of Criminal Procedure, 1973 (2 of 1974) and the provisions of that Code shall apply accordingly in relation to such Courts.

Explanation-In this section, "High Court" has the same meaning as in clause (e) of section 2 of the Code of Criminal Procedure, 1973 (2 of 1974).]

32.

Magistrate's power to impose enhanced penalties.-

[Repealed by the Insecticides (Amendment) Act, 1977 (24 of 1977), section 8 (w.e.f. 2-8-1977).]

33.

Offences by companies.-

(1)

Whenever an offence under this Act has been committed by a company, every person who at the time the offence was committed, was in charge of, or was responsible to the company for the conduct of the business of, the company, as well as the company, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly:

Provided that nothing contained in this sub-section shall render any such person liable to any punishment under this Act if he proves that the offence was committed without his knowledge or that he exercised all due diligence to prevent the commission of such offence.

(2)

Notwithstanding anything contained in sub-section (1), where an offence under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of, any Director, Manager, Secretary or other officer of the company, such Director, Manager, Secretary or other officer shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

Explanation.-For the purpose of this section,-

(a)

"company" means any body corporate and includes a firm or other association of individuals; and

(b)

"director", in relation to a firm, means a partner in the firm.

34.

Power of Central Government to give directions.-

The Central Government may give such directions to any State Government as may appear to the Central Government to be necessary for carrying into execution in the State any of the provisions of this Act or of any rule or order made thereunder.

35.

Protection of action taken in good faith.-

No prosecution, suit or other proceeding shall lie against the Government or any officer of the Government or the Board, the Registration Committee or any Committee of the Board, for anything in good faith done or intended to be done under

this Act.

36.

Power of Central Government to make rules.-

(1)

The Central Government may, after consultation with the Board and subject to the condition of previous publication, by notification in the Official Gazette, make rules for the purpose of giving effect to the provisions of this Act:

Provided that consultation with the Board may be dispensed with if the Central Government is of opinion that circumstances have arisen which render it necessary to make rules without such consultation, but in such a case the Board shall be consulted within six months of the making of the rules and the Central Government shall take into consideration any suggestions which the Board may make in relation to the amendment of the said rules.

(2)

In particular and without prejudice to the generality of the foregoing power, such rules may prescribe-

(a)

the method of packing and labelling;

(b)

the manner of registration of an insecticide;

(c)

the functions of the Board and of the Registration Committee and the travelling and other allowances payable to members of the Board, the Registration Committee and any Committee of the Board;

(d)

the places at which insecticides may be imported and prohibit their import at any other place;

(e)

the form of application for registration of an insecticide and the particulars relating thereto;

(f)

[* * *] the fee payable in respect of registration;

(g)

the manner of appeal to the Central Government under section 10 and the fee payable therefor;

(h)

the form of application for the grant of license and the particulars relating thereto;

(i)

the form of license, the conditions attached thereto and the fee payable therefor;

(j)

the period for which a license may be renewed and the fee for such renewal;

(k)

the circumstances in which a license may be varied or amended under sub-section (2) of section 14;

(l)

the functions of the Central Insecticides Laboratory;

(m)

the qualifications, powers and duties of an Insecticide Analyst and an Insecticide Inspector;

(n)

the manner of testing or analysing the samples of any insecticide and the fee payable therefor;

(o)

the form in which intimation shall be given by an Insecticide Inspector under sub-section (5) of section 22 to a person from whom a sample of an insecticide is taken for test or analysis;

(p)

the form in which an Insecticide Analyst shall submit a report of his test or analysis to the Insecticide Inspector under sub-section (1) of section 24;

(q)

the protective clothing and equipment to be used by workers during the manufacture, formulation, transport, distribution and application of insecticides and other facilities to be provided to keep themselves and things supplied to them free from any contamination;

- (r)
the use by the workers of any such protective clothing, equipment and other facilities;
- (s)
the precautions to be taken against poisoning through the use or handling of insecticides;
- (t)
the measures for detecting and investigating cases in which poisoning has occurred;
- (u)
the facilities to be provided for ensuring first-aid treatment;
- (v) the instruction and training to be provided regarding the use of things supplied to the workers for ensuring their safety;
- (w)
the facilities for medical examination of workers engaged in the manufacture or handling of insecticides;
- (x)
[* * *]
[Cl. (x) omitted by Act 24 of 1977, Section 9 (w.e.f. 2.8.1977).]
- (y)
the equipment for, and method of, application of, an insecticide and the disposal of surplus material, washings and containers, following application;
- (z)
the maintenance and inspection of records and returns;
- (za)
the restrictions on storage of insecticides during transport or otherwise alongwith articles of food;
- (zb)
the maximum proportion of any insecticide which may be added to, or contained in, any preparation for domestic use and the restrictions thereon;
- (zc)
the manner in which refusal to register an insecticide or cancellation of certificate of registration thereof may be notified;
- (zd)
the officer or authority to whom the Central Government may delegate any of the powers and functions conferred on it by this Act;
- (ze)
any other matter which has to be, or may be, prescribed.

(3)
Every rule made by the Central Government under this Act shall be laid, as soon as may be after it is made, before each House of Parliament while it is in session for a total period of thirty days which may be comprised in one session [or in two or more successive sessions, and if, before the expiry of the session immediately following the session or successive sessions aforesaid]

[Substituted by Act 24 of 1977, Section 9, for certain words (w.e.f. 2.8.1977).]

, both Houses agree in making any modification in the rule or both Houses agree that the rule should not be made, the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be; so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.

37.

Power of the State Government to make rules.-

(1)
The State Government may, after consultation with the Board and subject to the condition of previous publication, by notification in the Official Gazette, make rules for the purpose of giving effect to the provisions of this Act and not inconsistent with the rules, if any, made by the Central Government.

(2)
In particular and without prejudice to the generality of the foregoing power, such rules may provide for-

(a)
the authority to which, the manner in which, and the fee on payment of which, an appeal may be filed under section 15 and the procedure to be followed by the appellate authority in disposing of the appeal;

(b)

the delegation of any of the powers and functions conferred by this Act on the State Government to any officer or authority specified by that Government.

(3)

[Every rule made by the State Government under this Act shall be laid, as soon as may be after it is made, before the State Legislature.]

38.

Exemption.-

(1)

Nothing in this Act shall apply to-

(a)

the use of any insecticide by any person for his own household purposes or for kitchen, garden or in respect of any land under his cultivation;

(b)

any substance specified or included in the Schedule or any preparation containing any one or more such substances, if such substance or preparation is intended for purposes other than preventing, destroying, repelling or mitigating any insects, rodents, fungi, weeds and other forms of plant or animal life not useful to human beings.

(2)

The Central Government may, by notification in the Official Gazette, and subject to such conditions, if any, as it may specify therein, exempt from all or any of the provisions of this Act or the rules made thereunder, any educational, scientific or research organisation engaged in carrying out experiments with insecticides.
