These rates of piece rates Variable Dearness Allowance will be based on the average of All India Consumer Price Index on which the minimum rates of wages has been fixed/revised in the above schedule employments. There will be increases or decreases in wages at rates shown in column-4 with rise or fall, as the case may be in aforesaid index of the above schedule employment and will be deemed as variable dearness allowance components. But even if the index fall below the point on which minimum rates of wages have been fixed/revised. There will not be any reduction in the minimum wage fixed/revised. The payment of piece rate variable dearness allowance on the basis of average index of June to December 2008 will be payable at the aforesaid rates from April, 09. Thereafter increases or decreases in the amount of variable dearness allowance will be based on the average of All India Consumer Price Index Number for every six months and will be applicable after the expiry of three months after the said period of six months.

The 29th September, 2009

6.

S.O. 212 dated 1st October, 2009. - In exercise of the powers conferred by Section 3 of the Minimum Wages Act, 1948

Minimum Rates of Wages in Scheduled Employments, 2009

These rates of piece rates of Variable Dearness Allowance will be based on the average of All India Consumer Price Index on which the minimum rates of wages has been fixed/revised in the above schedule employments. There will be increases or decreases in wages at rates shown in column-4 with rise or fall, as the case may be in aforesaid index of the above schedule employment and will be deemed as variable dearness allowance components. But even if the index fall below the point on which minimum rates of wages have been fixed /revised. There will not be any reduction in the minimum wage fixed/revised. The payment of piece rate variable dearness allowance on the basis of average index of January to June 2009 will be payable at the aforesaid rates from October, 2009. Thereafter increases or decreases in the amount of variable dearness allowance will be based on the average of All India Consumer Price Index Number for every six months and will be applicable after the expiry of three months after the said period of six months.

The 18th March, 2010

12.

S.O. 55, dated 19th March, 2010. - In exercise of the powers conferred by Section 3 of the Minimum Wages Act, 1948 (XI of 1948), read with the clause (B) of sub-section (1) of Section 5 of the said Act and also after consulting the Bihar Minimum Wages Advisory Board, the Governor of Bihar is pleased to introduce the formula for variable dearness Allowance in the Minimum Rate of Wages fixed/ revised for the different categories of employees employed in the employment mentioned in column 02 of schedule 1 (B) hereto appended for the months shown in column-2 of the said schedule shall be shown in column 04 of the schedule 1 (A) for the purpose of clause (d) of Section 02 of the said Act.

These rates of piece rates Variable Dearness Allowance will be based on the average of All India Consumer Price Index on which the minimum rates of wages has been fixed/revised in the above schedule employments. There will be increases or decreases in wages at rates shown in column-4 with rise or fall, as the case may be in aforesaid index of the above schedule employment and will be deemed as variable dearness allowance components. But even if the index fall below the point on which minimum rates of wages have been fixed /revised - There will not be any reduction in the minimum wage fixed/revised-The payment of piece rate variable dearness allowance on the basis of average index of July to December- 2009 will be payable at the aforesaid rates from April- 2010. There after increases or decreases in the amount of Variable Dearness Allowance will be based on the average of All India Consumer Price Index Number for every six months and will be applicable after the expiry of three months after the said period of six months.
