The Tamil Nadu Coinage (Alteration of References) Act, 1960

Tamil Nadu Act

9 of 1960

Statement of Objects and Reasons. - According to section 14(3) of the Indian Coinage Act, 1906 (Central Act III of 1906), as amended by the Indian Coinage (Amendment) Act, 1955 (Central Act 31 of 1955), all reference in any enactment to any value expressed in annas and pies shall be construed as references to that value expressed in terms of decimal coins, that is, naya paise, the fractions of which are rounded off to the nearest naya paisa. Many of the enactments in force in the State of Madras have already been amended altering references to annas and pies into references to decimal coins. This Bill seeks to amend certain other enactments for the purpose of altering references to annas and pies into reference to decimal coins. Enactments to which separate and comprehensive amendments are under consideration and enactments which are shortly to be repealed have been excluded from the scope of this Bill.

In some cases, for facilitating calculation and avoiding practical difficulties, the conversion has been indicated in round figures with 5 naye paise or multiples thereof as the basis.

Received the assent of the Governor on the 11th June 1960, and first published in the Fort St. George Gazette on the 22nd June 1960.
