The U.P. Levy of Fees for Testing and Inspection Order, 1981

Published vide Notification No. 6022-P-3/81-23, dated November 30, 1981

1.

Short title, and commencement.

(1)

This Order may be called the Uttar Pradesh Levy of Fees for Testing and Inspection Order, 1981.

(2)

It shall come into force with effect from December 1, 1981.

2.

Definitions.

- In this Order the terms and expressions used shall have the same meaning as they have in the Indian Electricity Act,

1910, and the Indian Electricity Rules, 1956, except that for the purpose of this Order.

(a)

"Owner" shall include an occupier of any building, palace, carriage or vessel in which energy is, or is about to be generated, receive or used;

(b)

"Initial" with reference to the inspection, examination or test of any Electrical Installation or apparatus shall mean the first inspection carried out by the Chief Electrical Inspector or any officer appointed to assist him, either before or after its being brought into use, or its connection after having being without supply for a period of 6 months or more and shall include the first inspection, examination or test necessitated as a result of an extension or alteration in the existing installation except those carried out under the instructions of the Chief Electrical Inspector or his authorised representative, with the sole purpose of rectifying a defective installation already inspected by the said inspector or his authorised representative;

(c)

"Periodical" with reference to the inspection, examination or test of any electrical installation or apparatus shall mean the inspection or test carried out in pursuance of Rule 46 of the Electricity Rules, 1956;

(d)

"Subsequent" with reference to the inspection, examination or test of any electrical installation or apparatus shall mean the inspection or test necessitated due to the installation or apparatus having been found to contravene the relevant requirement of Indian Electricity Rules, 1956, during an initial or any other inspection; and

(e)

"Licensee" shall include the State Electricity Board and also a person engaged in the business of supply energy with the sanction of the Government obtained under sub-section (1) of Section 28 of the Indian Electricity Act, 1910.

3.

Fees.

- Subject to the following conditions, fees shall be levied for testing and inspection (including periodical inspections) and generally for the services of Chief Electrical Inspector or his authorised representative under the Indian Electricity Act, 1910, and the Indian Electricity Rules, 1956, as amended from time to time and shall be realised from the persons and in accordance with the scales specified in the Schedule-

(1)

In the case of any inspection, examination or test specified in scales "A" to "B" no fee shall be levied for a second or subsequent inspection, examination or test made within a period of twelve months from the date of a similar inspection, examination or test for which prescribed fee has been paid unless such further inspection, examination or test is made on application or in pursuance of the periodicity prescribed by the State Government under Rule 46 of the Indian Electricity Rules, 1956, or is necessary as the result of an extension or alteration of the installation or is in the opinion, which will be recorded, of the Chief Electrical Inspector necessitated by a breach of any of the provisions of the Act or of the Rules made thereunder or by the neglect or failure of the licensee or owner to carry out, within the stipulated time, any written order of Chief Electrical Inspector or any of his authorised representatives.

(2)

The fee for subsequent inspection or test of an installation if necessitated as a result of detection of defects during initial or any other inspection will be one-half of the fee prescribed under scales "A" to "B".

(3)

In the case of an inspection, examination or test specified in scales "F" to "K" no fee shall be levied for an inspection, examination or test unless-

(i)

such inspection, examination or test is made on application or for conducting periodical inspection under Rule 46 of the Indian Electricity Rules, 1956, or

(ii)

it is established to the satisfaction of the Chief Electrical Inspector, who will make record of the grounds on which he is satisfied, that the installation or apparatus inspected, examined or tested is not in accordance with the provisions of the Act or any rule made thereunder and in- that case the fee for initial as well as subsequent inspection shall be chargeable; and

(iii)

the fee for subsequent inspection and test if necessitated as a result of detection of defects during the initial or periodical inspection will be-

(a)

in respect of scale "F" one-half of the prescribed fee; and

(b)

in respect of scales "G" to "M" -Full fees as prescribed in these scales.

4.

Payment of fees.

(1)

The fees payable under this order shall be paid into Government Treasury in advance under the following heads of account;

(a)

For scales other than scale "M" under the Head "048,Duties and fees on Electricity;"

(b)

Fee for Inspection under Indian Electricity Rules;

(c)

For scale "M" under the head "043, Duties and fees on Electricity";

(d)

Other receipts.

(2)

The fees shall be paid by the owner of the installation excluding non-commercial departments of the State Government except provided otherwise.

(3)

If at the request of a consumer or supplier, journeys are undertaken to inspect, examine or test an electrical installation or an apparatus and if on arrival of the inspecting officer, installation or apparatus is found, the prescribed fee shall nevertheless be charged.
