A. Should furnish evidence of having undergone practical training in "Surveying" for at least one year or hold the Upper Subordinate or L. C. E. Diploma of the College of Engineering.

B. Should have secured a pass in the intermediate examination of any University or Institution recognised by the University Grants Commission for the purposes of its grant or an examination recognised by the Government as equivalent thereto; and

C. Should have had practical experience for a period of not less than 6 years which should include at least 4 years practical experience after passing Section A and B of the A. M. I. E. (Ind.) Examination; and

2. A pass in the Account Test for Public Works Department Officers and Subordinates.

5.
Probation.

- A person appointed to any category under any class, either by promotion or by direct recruitment shall, from the date on which he joins duty, be on probation for a total period of two years on duty within a continuous period of three years.

6.
Reservation of appointments.

- The rule of reservation of appointments to the Backward Classes, the Scheduled Castes and Scheduled Tribes in rule 22 of the General Rules for the State and Subordinate Services for the time being in force shall apply to appointment to the service by direct recruitment.

7.
Liability to serve in Defence Services.

- Every person appointed as Assistant Executive Engineer by direct recruitment on or after the 14th April 1965 shall, during his service including service in any higher category to which he may be appointed, be liable to serve for a minimum period of four years (including the period spent on training) in the Armed Forces or on works relating to defence effort anywhere in India or abroad, if so required. The liability to service in the Armed Forces shall be limited to the first ten years of service from the date of his first appointment as Assistant Engineer and shall not ordinarily apply to a candidate who is above 40 years of age.

8.
Military duty in connection with the National Emergency.

- Notwithstanding anything contained in these rules or any other rules, the following provisions shall apply to the members of the service who have deputed for military duty in connection with the National Emergency proclaimed on

the 26th October of 1962 and to those non-service persons who joined the Armed Forces during the Emergency and are recruited to this service against the vacancies reserved for candidates who have rendered military service.

(i)

Fifty per cent of the substantive vacancies which arose after the declaration of the National Emergency and which may arise hereafter during the continuance of the emergency in the category of Assistant Executive Engineers shall be reserved to be filled in by those deputed for military duty and non-service persons who have rendered military service in connection with the National Emergency and are recruited as Assistant Executive Engineers on discharge from the Armed Forces in the following order of priority, namely:-

(i)

Members of the Services;

(ii)

Persons employed temporarily;

(iii)

Persons who were not in Corporation Service.

(ii)

Any period of "Field Service" rendered by a member of the service who has been deputed for military service shall be for the purpose of probation and increment count as duty in the post borne on the service.

Explanation. - For purposes of this clause "Field Service" shall mean military duty in any area declared as "Field Area" by the Defence Department of the Government of India.

9.

Test.

- Assistant Executive Engineers recruited direct shall pass the Account Test for Public Works Department Officers and Subordinates within four years from the date of appointment.

The penalty for failure to pass the test is stoppage of increments, but the stoppage will not operate to postpone future increments after the test has been passed.

10.

Training.

- A Probationary Assistant Executive Engineer recruited directly shall during the first year of his probation undergo training in works and accounts for one year or such shorter period as may be fixed in each individual case. His pay during the period of training shall be Rs. 225/- a month and the period shall not count for increments in the time scale of pay for Assistant Executive Engineers.

11.

Pay.

- The holders of the posts in this service shall be paid a monthly pay in the scale of pay that may be determined by the State Government, from time to time, from the Municipal Fund.
