3.

The two senior most teachers shall be selected from this list as Ex-officio members of the Committee of Management in the first instance. Their terms shall begin from the date on which the Committee of Management is constituted after the approval of the Scheme of Administration by the Director. On the expiry of their terms or in the event of vacancy or vacancies occurring earlier by one or both, the teachers resigning his /their membership/ memberships of the Committee or ceasing to be in the sender of the institution, the teacher/ teachers next in the seniority list shall be selected in his/their place/places for a full term. The Ex-officio membership of a teacher shall not lapse on his being promoted or demoted from one grade or category to another during the currency of his term.

4.

The manager shall prepare and maintain the seniority list showing therein the date from which a teacher is entitled to count his seniority. Before finalizing the list, he shall supply a copy thereof to every teacher in the institution and any objection filed by a teacher within a month of the receipt of the copy by him shall be decided by the Committee of Management.

5.

Any teacher aggrieved by the decision of the Committee may within fifteen days of its communication to him file an appeal to the Inspector or Regional Inspectress, as the case may be, whose decision thereon shall be final.

6.

A copy of the list after it has been finalized shall be supplied to each teacher, the head of the institution and the Inspector or Regional Inspectress for the reference and record. Any change in the strength or grades to teachers comprising a category shall be duly noted in the list and all concerned promptly intimated of it. Any teacher who feels aggrieved by the change may file objection before the Managing Committee within a month of the intimation and that objection shall be dealt with as if it were an objection under Regulation 4.

7.

A teacher declining the Ex-officio membership of the Committee to which he has been selected or not being able to avail himself of his term for any reason whatsoever, shall not be re-eligible for membership until the full circle of the seniority list has been completed.

8.

Ex-officio members shall not be liable to pay any subscription.

9.

Powers, duties and functions of the Principals or Headmaster. -The Headmaster or the Principal shall perform in addition to all duties of a Headmaster or Principal all such duties as appertain to his post and shall be responsible to the Committee of Management through the Manager of the institution for the due discharge of such duties, for which he shall have the necessary powers.

(b)

Procedure for constituting the Committee of Management, qualifications and disqualifications of its members, term of its office, calling its meeting and conducting business thereat shall be laid down.

(c)

All the decisions shall be taken by the Committee of Management and powers of delegation, if any, shall be limited and clearly defined.

(d)

Powers and duties of the Committee of Management and its members shall be clearly defined.

(e)

Distribution of powers shall be well balanced and dominance of individual and sectional interests shall be avoided.

(f)

Constitution of the Committees for selecting Principal, Headmaster and Teachers and their functioning as prescribed under the Act and Regulations shall be provided for.

(g)

A Scheme of Administration shall provide that the terms and conditions of service of the employees of the Institutions shall be governed by the Act and Regulations.

(h)

A Scheme of Administration shall make provision for maintenance and security of property and investment and utilization of funds of the institution as well as regular checking and auditing of accounts, and prescribe measures against their misappropriation, misuse and waste.

(i)

A Scheme shall contain specific provision for speedy decision of disputes relating to right of management declared as such by the Regional Deputy Director or the Deputy Director of Education (Women), as the case may be, as also regarding management of the institution during the period of dispute.

(j)

No provision of a Scheme shall be contrary to the relevant paras of the Educational Code insofar as these are not inconsistent with the Act and Regulations.

15.

A period of six months reckoned from the first date of the month following the date of receipt of the Draft Scheme of Administration shall be allowed to the Director in which he may either approve or return it with suggestion for any alterations or modifications under Section 16-C(1).

16.

A period of three months reckoned from the date of receipt of the communication of the Director suggesting alterations or modifications shall be allowed to an institution each time to make representations under Sections 16-C (1) and 16-C(2).

[Chapter II]

[Chapter II has been substituted by Notification No, Ma 3183/XV-7-76-2 (18)-75 published in U.P. Gazette, Extra, dated 7th July, 1976 as amended by notification No. 8238/XV-7-76-2(18)-75 dated December 9,1976.]

Appointment of Heads of Institutions and Teachers

[Sections 16-E, 16-F and 16-FF]

1. The minimum qualifications for appointment as Head of Institution and Teachers in any recognised Institution, whether by direct recruitment or otherwise, shall be as given in Appendix A.

1.

-A. [***]

[Reg. 1-A deleted by Notification No. 788-15-7-2 (15J-81 dated 24th February, 1983.)

2.

(1)

The post of the Head of Institution shall except as provided in clause (2) be filled by direct recruitment after reference to the Selection Committee constituted under sub-section (1) of Section 16-F or, as the case may be, under sub-section (1) of Section 16-FF :

Provided that in the case of any institution not being an institution referred to in Section 16-FF a temporary vacancy caused by the grant of leave to an incumbent for a period not exceeding six months or by death, retirement or suspension of an incumbent occurring during an educational session in the post of the Head of Institution shall be filled by the promotion of the senior most qualified teacher, if any, in the highest grade in the institution.

(2)

[(a) Where an institution is raised from a High School to an Intermediate College, the post of Principal of such college shall be filled by promotion of the Headmaster of such High School if he was duly appointed as Headmaster in substantive capacity in accordance with law for the time being in force and possesses a good record of service and the minimum qualifications prescribed in that behalf or has been granted exemption from such qualifications by the Board.

(b)

The Committee of Management of such institution shall submit the proposal for promotion of the Headmaster concerned to the Regional Deputy Director of Education for his concurrence.

(c)

The proposal referred to in sub-clause (b) shall be accompanied by a copy of the resolution of the Committee of Management approving such Headmaster for promotion, his service Book and Character Roll and shall contain the following particulars in relation to him, namely-

(i)

date of birth,

(ii)

examinations passed by him stating the subjects, divisions and year of passing such examinations.

(d)

The Regional Deputy Director of Education shall communicate his decision on such proposal within two weeks from the date of receipt thereof, failing which the Regional Deputy Director shall be deemed to have given his concurrence to such proposal.

(e)

The decision of the Regional Deputy Director of Education under sub-clause (d) shall be communicated to the Committee of Management as well as the Headmaster concerned.

(f)

Any person aggrieved from the decision of the Regional Deputy Director of Education, including the Committee of Management may within 10 days from the date of communication of the order under sub-clause (e) make a representation against it to the Director whose decision in the matter shall be final.

(g)

A Headmaster of a High School who is not found fit for promotion as Principal of the upgraded Intermediate College or a Headmaster of a Junior High School who on its being raised as a High School, is not selected by the Selection Committee for the post of the Headmaster of upgraded High School, shall be retained as an assistant teacher on the highest post for which he is qualified, provided that this pay-scale shall not be reduced.

Explanation. - Nothing in this sub-clause shall apply to a person who was not permanent or was not duly appointed in accordance with law on the date on which the institution was raised to the level of a High School or an Intermediate College, as the case may be.

(3)

Where the temporary vacancy in the post of head of institution is, for a period not exceeding thirty days, the senior-most teacher in the highest grade may be allowed to work as acting head of institution, but he shall not be entitled to pay in a scale higher than the scale of pay in which he is drawing salary as such teacher.

(4)

In all cases in which promotions are made under this regulation a copy of the resolution of the Committee of Management together with particulars in the pro forma prescribed in Appendix 'B' shall be immediately forwarded by the Mai lager to the Inspector as well as the Regional Deputy Director of Education.]

[Ins. by Notification No. Ma-3238/XV-7-76-2 (18)-1975, dated 9th December, 1976.]

3.

(1)

The Committee of Management of every institution shall cause a seniority list of teachers to be prepared in accordance with the following provisions-

(a)

The seniority list shall be prepared separately for each grade of teachers whether permanent or temporary, on any substantive post;

(b)

Seniority of teachers in a grade shall be determined on the basis of their substantive appointment in that grade. If two or more teachers were so appointed on the same date, seniority shall be determined on the basis of age;

(bb)

[Where two or more teachers working in a grade are promoted to the next higher grade on the same date, their seniority inter se shall be determined on the basis of the length of their service to be reckoned from the date of their substantive appointment in the grade from which they are promoted :

[Ins. by Notification No. Ma-6680/XV-7-76-2 (18)-75 dated 16-9-1976.]

Provided that if such length of service is equal, seniority shall be determined on the basis of age.]

(c)

A teacher in a higher grade shall be deemed to be senior to a teacher in the lower grade irrespective of the length of service;

(d)

If a teacher who is placed under suspension is reinstated on his original post his original seniority in the grade shall not be affected;

(e)

Every dispute about the seniority of the teacher shall be referred to the Committee of Management which shall decide

the same giving reasons for the decision;

[3-A.

[Ins. by U.P. Noti. No. 2083/XV-15-7-8(4)-75, dated 17-5-1983.]

(1) In case of an institution maintained by a local body, the seniority list as provided in Regulation 3 shall be drawn and maintained by the local body concerned.

(2)

Where the number of institutions, maintained by a local body, is more than one, a combined seniority list of Head of Institutions and another combined seniority list of teachers shall be maintained; such lists in case of institutions of boys and girls shall be maintained separately.

(3)

For preparing seniority list under sub-regulations (1) and (2) the provisions of Regulation 3 shall mutatis mutandis apply and reference to the Committee of Management in the said regulation and in the other regulations under Chapter II shall, in the case of institutions referred to in sub-regulation (1), be deemed to be reference to the concerned local body.]

4. Where any Junior High School is recognised as a High School under Section 7, a permanent or temporary teacher of such school, possessing the minimum qualifications under Regulation I, shall be deemed to be permanent or temporary teacher, as the case may be, of such High School, provided that the services of a temporary teacher who is not selected for appointment in accordance with the provisions of the Act and the regulations shall be dispensed with after giving him one month's notice in that behalf or one month's pay in lieu of such notice.

Explanation. - Nothing in this regulation shall be construed to mean that High School includes Classes I to V.

the District Inspector of Schools, or

(ii)

the Regional Inspectors of Girls Schools, in case of institutions for girls.

The advertisement shall also state that the prescribed application forms can be had from the office of any Inspector on payment of Rs. 9 per form by a crossed postal order or bank draft or through Treasury challan by depositing the amount in the State Bank of India under the head indicated by the Inspector. In no case the payment shall be accepted in cash in the Office of the Inspector. A copy of each advertisement shall be simultaneously sent by the Manager to the District Inspector of Schools or the Regional Inspectress of Girls' Schools concerned and in case the post of the head of institution is advertised a copy of the Advertisement shall also be sent to the Regional Deputy Director of Education.

Notes. - (1) All vacancies in the post of teachers and the head of the institution existing at the time of advertisement shall be advertised.

(2)

No new post shall be advertised unless sanction of the appropriate authority for the creation thereof has been received by the management.

(b)

The form of application shall be such as may be approved by the Director.

(c)

An application by a person employed in an institution and applying for a post elsewhere or in the same institution shall not be withheld by his employer but shall be forwarded to the District Inspector of Schools or Regional Inspectress of Girls Schools concerned immediately and in case of a post in an institution referred to in Section 16-FF to the Manager thereof.

(d)

Applications received shall be serially numbered and entered in a register in the form approved by the Director in the Office of the Inspector and particulars of the candidates noted under appropriate columns along with quality-point-marks

obtained by each candidate. The quality-point-marks will be awarded to each candidate according to the criteria laid down in Appendix 'D' preferably by the local retired Gazetted Officers or retired Principals or teachers of Degree College or University or retired heads of Institutions engaged for the purpose by the Inspector and checked by the Inspector or an officer of the Department authorised by him in this behalf. These application forms will be collected by the Committee of Management through the Manager of the institution from the Office of the Inspector within three days after the expiry of five days from the last date of receipt of applications notified in the advertisement failing which the Inspector shall cause the applications to be sent to the Manager of the institution concerned. The management shall maintain a register likewise. The candidates to be called for interview shall be selected in the order of quality-pointmarks obtained by them. The number called for interview shall be seven for each post (the number of applicants permitting) provided that this number may be increased to accommodate candidates who get equal number of quality-paint-marks in the first seven places. The Inspector shall send intimation of the date, time and place for holding selection as may be fixed by him to the Committee of Management through its Manager at least two weeks before such date. Immediately on receipt of this information, the Manager shall send intimation to the members of the Selection Committee other than the Experts and issue interview cards to all the candidates selected for interview by registered post specifying therein the date, time and place of holding selection, at least ten days before such selection. The Selection Committee will hold its sitting for making the selection accordingly. The Inspe-dor shall intimate to the Experts nominated under Clause (iii) of sub-section (1) or (2) of Section 16-F, as the case may be, the date, time and place fixed for holding of selection along with the name of the institution, sufficiently in advance of such date. If on account of any unavoidable reasons, any expert is unable to attend the selection on the date fixed, the Inspector shall at once arrange for the expert on the waiting list. In the absence of two experts, the meeting of the Selection Committee shall be postponed and another date shall be fixed for the same.

(dd)

[Where the post advertised under Clause (a) is that of Principal of an institution the two seniormost teachers of such institution in the Lecturer's grade and where the post advertised is that of Headmaster for an institution the two seniormost teachers of such institution in the L.T. Grade who possess the prescribed minimum qualification for such post and have to their credit a minimum of ten years continuous service in the respective grade, including the period, if any, during which they have worked temporarily as principal/ Headmaster shall also be entitled to be called for interview for that post even if they do not come within the first seven places under Clause (d).]

[Added by Notification No. Ma 8424/XV-7-2(23)-77, dated 22-7-1978.]

(e)

Every candidate called for interview will have to pay the interview fee at rates given below:

(i) For the post of head of institution;

Rs.

General Candidates

20

Scheduled Caste/Tribe Candidate

5

(ii) For the post of teacher :

General Candidates

13

Scheduled Caste/Tribe Candidate

3

The interview fee shall be payable by crossed postal order or bank draft or through treasury challan by depositing the amount in the State Bank of India under the head indicated by the Inspector. In no case, the interview fee shall be accepted in cash. All postal order, bank drafts and treasury challans shall be sent by the Manager to the Inspector immediately after the selection.

(f)

A statement (in six copies) showing the names, qualifications and other particulars in respect of every candidate called for the interview shall be got prepared by the Committee of Management in the form given in Appendix 'C' and the same shall be placed before each member of the Selection Committee at the time of the interview. All the applications including those of candidates not called for the interview, the register maintained by the institution referred to in Clause

(d), office copies of all letters sent to the members of the Selection Committee and of all interview cards including the post office receipts of sending the same by registered post and acknowledgments, if any, shall also be placed before the Selection Committee by the Management through the manager of the institution.

(g)

Selection shall be made by the Selection Committee on the basis of the total quality-point-marks and the marks awarded in the interview. The total of marks for this purpose shall be arrived at by addition of the quality-point-marks as obtained by a candidate under Clause (d) and the average of the marks awarded by the members of the Selection Committee out of 50, as for example a candidate who obtains 90 quality-pointmarks under Clause (d) is awarded the following marks in the interview:

Member No. 1

175

Then the total marks will be $90 + 175/5 = 125$. In addition, each Expert shall also note down in the statement referred to in Clause (f) whether he agrees to the Selection of the candidate or not. In case of disagreement, he will state reasons in brief thereof. After all the candidates for any post are interviewed the Chairman of the Selection Committee shall either himself or by any other member thereof get a note prepared in duplicate on the proceeding of the selection held indicating therein the name of the selected candidate along with two other candidates on the waiting list drawn up in order of merit determined as per example aforesaid and also the names of at least two Experts who have agreed to the selection of such candidates. The note so prepared shall be signed by the Chairman and other members of the Selection Committee giving their full names, designations and addresses and date. One copy of this note along with one copy of the statement referred to in Clause (f) shall be immediately forwarded by the Chairman to the management through the Manager and the other copy shall be forwarded to the Inspector concerned.

[Explanation. - Any reference to the Committee of Management or President or member thereof in this regulation shall in cases referred to in sub-section (3) of Section 16-F, be construed as a reference to the Authorised Controller who shall, for purpose of awarding marks in the interview, under Clause (d), be deemed to be a single member of the Selection Committee.]

[Ins. by Noti. No. 8238/XV-7-76-2 (18)-75. dated 9-12-1976.]

(h)

Notwithstanding anything contained in Clause (g), if the total marks awarded to two or more candidates are equal then the seniormost in age shall be preferred.

11.

(1)

It shall be the duty of the experts attending selection of a head of institution or- teacher to scrutinise all papers concerning selection and in particular to examine that the candidates called for interview have been rightly so called as per provisions of the Act and the Regulation and that no candidate has been deprived of the opportunity of interview which rightly should have gone to him. They should furnish a certificate to this effect in the proceedings of the selection

as proposed in the statement in Appendix 'C'. In case they feel that a candidate has been deprived of the legitimate opportunity of interview as a result of any error or omission they shall inform the Inspector with full details of the case. If the Inspector is satisfied that the proceedings of the interview has been vitiated thereby he shall declare the proceedings of the interview null and void and shall pass orders for holding of selection again in such cases. The orders of the Inspectors in this regard shall be final and binding on all concerned.

(2)

All applications, papers- and registers relating to selection shall be preserved by the Management till such period as may be prescribed by the Director and shall be furnished to the Inspector, Regional Deputy Director of Education or the Director as and when the same may be summoned.

12. The Manager of the institution shall ensure that all necessary action to be taken under the Act and the regulations prior to the holding of selection including nomination of the Chairman or the member of the Selection Committee by the Committee of Management shall be taken well in time and that all arrangements have been made for the meeting of the Selection Committee and seating of candidates called for interview on the date fixed for the interview.

13. The Inspector may fix one or more selections of one or more institutions at such place, time and date as may be found convenient.

14. The panel of Experts referred to in sub-section (4) of Section 16-F shall be drawn by the Director for each region separately for the selection of heads of institutions and for the selection of teachers from amongst the categories of persons given below after they have given their consent in writing to act as Experts :

(a)

Persons who may be appointed as experts for the selection of heads of institution-

(i)

Principals of Degree Colleges, Training Colleges, Agricultural Colleges and Polytechnics including Central Schools;

(ii)

Gazetted Officers of the Education Department not below the P.E.S. level, whether serving or retired;

(iii)

Professors and Readers of Universities and Degree Colleges;

(iv)

Lecturers of Universities and Degree Colleges provided they have worked as such for at least ten years;

(v)

Any other person considered suitable by the Director;

(b)

persons who may be appointed as experts for the selection of teachers-

(i)

Principal or Headmaster of any Intermediate College, High School or Government Normal School, whether serving or retired;

(ii)

Gazetted Officer of the Education Department not below the rank of a Deputy Inspector of Schools, whether serving or retired;

(iii)

Lecturers of Degree Colleges, Training Colleges or Polytechnics and Gazetted Officers of Education Department of at least five years' standing;

(iv)

Any other person considered suitable by the Director.

The number of experts on each regional panel shall be such as may be considered necessary by the Director, provided that experts appointed for the selection of teachers of Intermediate classes shall be experts in that subject (i.e., they should possess the minimum qualifications prescribed by the Board for a teacher of Intermediate classes in the subject concerned). The regional panel shall remain valid for three years but the Directors may add to or remove any person from the panel even during the above period. Name of one person may be included in more than one panel where necessary.

15. As soon as a copy of the advertisement is received by the Regional Deputy Director of Education in respect of any post advertised for the head of institution he shall send a list of three experts nominated by him for the institution

concerned along with one more name on the waiting list to the Inspector for being invited to participate in the selection. The Inspector shall likewise nominate three experts and one more on the waiting list for the institution or institutions for which selection of teachers is to be held as soon as he receives the copy of the advertisement and invite them to participate in the selection.

16. Every expert attending a meeting of the Selection Committee and every person engaged for awarding quality-point-marks shall be entitled to be paid remuneration at such rates as may be sanctioned by the State Government from time to time. In addition, the experts shall be paid travelling allowance at such rates as may be sanctioned by the State Government.

17. The procedure for filling up the vacancy of the head of institution and teachers by direct recruitment in any recognised institution referred to in Section 16-FF, shall be as follows:

(a)

After the management has determined the number of vacancies to be filled up by direct recruitment, the posts shall be advertised by the manager of the institution in at least one Hindi and one English newspaper having adequate circulation in the State giving particulars as to the nature (i.e., whether temporary/permanent) and number of vacancies, descriptions of post (i.e., Principal or Headmaster, Lecturer or L.T., C.T. or J.T.C./B.T.C. grade teacher including the subject or subjects in which the lecturer or teacher is required), scale or pay and other allowances, experience required minimum qualification and age prescribed, if any, for the post and prescribing a date which should not ordinarily be less than two weeks from the date of advertisement) by which the applications shall be received by the Manager. A copy of the advertisement shall be simultaneously sent to the Inspector concerned.

Notes. - (1) All vacancies in the posts of teachers and the head of institution existing at the time of advertisement shall be advertised.

(2)

No new post shall be advertised unless sanction of the appropriate authority for the creation thereof has been received by the management.

(b)

All applications shall be made in the form prescribed by the management and shall contain all necessary particulars about qualifications, teaching experience and other activities and be accompanied by certified copies of all the necessary certificates and testimonials. The management may charge cost of the application form not exceeding the amount referred to in Clause (2) of Regulation 10.

(c)

An application by a person employed in an institution and applying for a post elsewhere or in the same institution shall not be withheld by his employer but shall be forwarded to the authority concerned immediately.

(d)

All applications received from the candidates shall be serially numbered and entered in a register and particulars of the candidates noted under appropriate columns. The candidates to be called for interview shall be seven for each post (the number of applicants, permitting). The Manager shall intimate by registered post all the members of the Selection Committee as well as all such candidates as are called for interview, the date, time and place of selection at least ten days before it is held. The Selection Committee will hold the selection accordingly. If on account of any unavoidable reason, the expert selected by the Committee of Management under Clause (a) of the proviso to sub-section (1) of Section 16-FF is unable to attend the selection on the date fixed the meeting of the Selection Committee shall be postponed.

(e)

The provisions of Clauses (e) and (f) of Regulation 10 and those of Regulations 11, 12 and 16 shall mutatis mutandis apply to selections made under this regulation.

(f)

A panel of experts consisting of fifteen or more persons selected from category (a) referred to in Regulation 14 shall be drawn by the Director for each region and be sent to the Regional Deputy Director of Education concerned, The Regional Deputy Director of Education shall out of the said panel communicate the names of three experts in a sealed cover to the management through its Manager as soon as he receives any request for supply of names of experts from him. The regional panel of experts shall, however, remain valid until it is replaced by a new one.

(1)

An employee may be dismissed from service on grounds, such as gross insubordination, deliberate or serious neglect to duty, gross misconduct or commission of an act which constitutes a criminal offence, dishonesty, corruption, misappropriation of funds, sex-perversity or moral turpitude.

(2)

An employee may be removed from service on the grounds mentioned above as also on the grounds of inefficiency in administration or in tutitional work or unauthorised tuition or employment.

(3)

An employee may be reduced in rank or subjected to diminution in emoluments on grounds such as deficiency in administration, unsatisfactory work or conduct, lack of interest in co-curricular activities or discharge of examination duties or doubtful integrity. Reduction may be to a lower post or time-scale or to a lower stage in the time-scale.

33.

(1)

An employee may also be punished by stoppage of increment in a time-scale for any period with temporary or permanent effect.

(2)

An appeal against such an order shall lie to the Inspector/ Regional inspectress within thirty days of the communication of this order to the employee and his/her decision shall be final.

34.

In deciding upon the punishment to be imposed, mitigating factors, if any, and past record of the employee concerned may be taken into account.

(1)

The grounds on which it is proposed to take action shall be reduced in the form of a definite charge or charges which shall be communicated to the employee charged and which shall be so clear and precise as to give sufficient indication to the charged employee of the facts and circumstances against him. He shall be required within three weeks of the receipt of the charge-sheet to put in a written statement of his defence and to state whether he desired to be heard in person. If he or the inquiring authority so desires an oral inquiry shall be held in respect of such of the allegations as are not admitted. At that inquiry such oral evidence will be heard as that inquiring authority considers necessary. The person charged shall be entitled to cross-examine the witnesses, to give evidence in person, and to have such witnesses called

as he may wish: provided that the inquiring authority conducting the inquiry may for sufficient reasons to be recorded in writing refuse to call a witness. The proceedings shall contain a sufficient record of the evidence and statement of the findings and the grounds thereof. The inquiring authority conducting the inquiry may also separately from these proceedings, make his own recommendation regarding the punishment to be imposed on the employee.

(2)

Clauses (1) shall not apply where the person concerned has absconded, or where it is for other reasons impracticable to communicate with him.

(3)

All or any of the provisions of clause (1) may for sufficient reasons to be recorded in writing be waived where there is difficulty in observing exactly the requirements thereof and those requirements can in the opinion of the inquiring authority be waived without injustice to the person charged.

any.

Scale of pay and payment of Salaries

46.

Employees shall be allowed the scale of pay sanctioned by the State Government from time to time.

47.

The pay of an employee on his first joining service in an institution shall be fixed at the Initial stage of the time-scale attaching to his post :

Provided that if he has served previously in another institution and earned increments, he may be given the benefit of such increments under conditions laid down by Government or the regulations.

Provided further that advance increments may be allowed in special cases with the prior approval of Government.

48.

On promotion to a higher post the initial pay of an employee will be fixed at the minimum of the new scale if his pay is less than his minimum otherwise at the stage of the new time-scale next above his pay.

49.

The Committee will pay the salary of an employee for a month by the 15th day of the following month.

50.

The payment of salary will be made in cash or by cheque. If an employee desires regular payment to be made by cheque instead of in cash necessary arrangements shall be made by the Committee, provided banking facilities are locally available, on receiving his salary by cheque or in cash, the employee shall sign the acquaintance roll duly stamped (if necessary) in token of such payment.

66.

An employee may accept remuneration work in connection with examination conducted by the Board, Department of Education or recognised examining bodies or may engage in literary pursuits, provided such work does not interfere with his normal duties.

67.

An employee may be permitted by the Management in accordance with instruction, if any, from the Director of Education, to prepare for and appear in academic training of professional examinations likely to improve his efficiency in teaching or administration.

Maintenance of Record of Work and Service

68.

A Character Roll and a Service Book shall be maintained for every employee. The Form of Character Roll shall be given as in Appendix "C".

69.

Yearly entries of a teacher's [and other employees] work and conduct shall be made in his Character Roll by the Head of the institution while such entries in respect of the Head of the institution shall be made by the manager. Casual entries may be made by them at any time.

70.

Along with the annual entries on the work and conduct of the person concerned, an integrity certificate in the following Form will be given:

"Nothing has come to my knowledge which casts any reflection on the integrity of

Sri.....

His general reputation for honesty is good and I certify his integrity."

71.

The certifying authority should pay most careful attention to granting or withholding of these certificates and treat it as a serious and most important matter. Before withholding integrity certificate every complaint or allegation coming to the knowledge of the certifying authority should be properly inquired into and if established or confirmed, the person concerned should be confronted with it for explanation. If the person's explanation is not satisfactory and doubt about his integrity is created, the integrity certificate may be withheld.

72.

In the case where an adverse entry is made in the Character Roll of a person in a particular year, the entire entries of the year, both adverse and favourable shall be communicated to him within 30 days of the making of such an entry and an acknowledgment obtained, information about the withholding of the integrity certificate shall be communicated likewise.

73.

A representation against an adverse entry in the character Roll may be made to the Committee of Management whose decision thereon shall be final.

74.

A Service Book in the Form prescribed by the State Government for its employees will be supplied to an employee of the institution at his own cost on his first appointment, and along with the Character Roll shall be maintained by and kept in the custody of the Head of the Institution in the case of a teacher [and other employees] and by the Manager in the case of the Head of the Institution.

75.

An employee of the institution shall be allowed to examine his Service Book at any time if he so desires to satisfy himself that it is being properly maintained. He will sign against each entry in his Service Book regarding annual increment, promotion and transfer, and any interruption (such as leave) in service will be noted with full details of its duration. All entries in the Service Book shall be attested by the Head of Institution in the case of a teacher [and other employees] and by the Manager in the case of the Head of the Institution.

76.

The Service Book of an employee of the institution shall be handed over to him on his retirement or termination of services, after making an entry to that effect in his Service Book.

77.

Subject to the provisions of these regulations the Rules for a Scheme of Provident Fund for School/College teachers in non-pensionable service, as contained in Appendix VIII of the Educational Code (1958 Edition) shall as far as may be, apply to all employees.

78.

The contribution of the Management shall be deposited to the account of the employee every month along with the contribution of the employee at the time of the payment of his salary.

79.

The Management shall arrange to show to an employee his Provident Fund Account Pass Book every year not later than 31st December and obtain his signature regularly in token of his perusal thereof.

80.

The account of an employee who is a contributor under the provident fund Scheme in, an institution on his transfer to another shall be transferred to the later institution and he shall continue to contribute to the Provident Fund in the institution to which he has been transferred.

81.

(a) On the retirement, resignation, transfer or termination of service of an employee, the Provident Fund Account Pass Book of the employee shall be forwarded by the Management to the Inspector /Regional Inspectress within a fortnight from the date on which he employee is relieved.

(b)

The District Inspector/Regional Inspectress after checking the account and keeping necessary record thereof shall forward the Provident Fund Account Pass Book of the employee to him within three weeks of the date of its receipt from the management.

82.

(a) For the payment of the contribution of the Government to the employee, the Manager shall send the bill duly prepared to the Inspector/Regional Inspectress within two months from the date of relieve of the employee.

(b)

The Inspector/Regional Inspectress after due scrutiny shall forward the bill within a period of 15 days to the Accountant-General.

87.

A notice of the appeal together with a copy of the memorandum of appeal shall be sent by the [Appellate Authority] to the respondent by registered post calling upon him to file a reply by a date given in the notice.

88.

The respondent shall submit the reply, along with the copies of documents, if any, in quadruplicate to the [Appellate Authority] by the date fixed in the notice or such other date as may be allowed by the [Appellate Authority],

A copy of the reply shall on his request be given to the appellant.

89.

The [Appellate Authority] shall call for necessary papers from the Inspector/ Regional Inspectress and ensure that they are received before the hearing starts.

90.

The [Appellate Authority] shall fix dates for hearing of the appeal and he may change the dates or adjourn the hearing from time to time :

Provided that whenever a date is fixed in the absence of any party at least one week's notice shall be given to that party unless otherwise agreed upon by both the parties.

Provided further that no such notice to a party shall be necessary when the date is fixed on a date of hearing and the party is absent in spite of notice of that date.

91.

No party shall, as a right be entitled, to produce any evidence before the [Appellate Authority] which was not produced before the Inspector/Regional Inspectress but the [Appellate Authority] may admit any such evidence as may be considered by it to be helpful in coming to a correct decision in the case.

92.

The [Appellate Authority] may at any time during the pendency of an appeal require either party to furnish any such extract, information report, explanation or record relating to the case, which is in the possession or power of such party and the party shall be bound to comply with the requisition within such reasonable time as may be fixed by the [Appellate Authority].

93.

No party before a [Appellate Authority] shall be represented by a legal practitioner as such.

94.

The [Appellate Authority] may hear and decide an appeal ex parte, if any party, in spite of notice, fails to appear on the date fixed for hearing.

95.

The decision of the [Appellate Authority] shall be in writing. It shall concisely state the points for decision, the decision thereon and the final order.

96.

[Deleted by Notification No.7/562/V-8 dated March 10th, 1975, published in Gazette, dated March 15th, 1975.]

97.

Copies of the decision shall, as soon as practicable, be sent to the parties concerned and the Inspector/Regional Inspectress.

98.

(1)

The Management shall implement the decision of the [Appellate Authority] within two months of its being communicated to it. In default the Inspector/Regional Inspectress may, without prejudice to any other cause open to him or to any other authority or the employee, enforce it in so far as it may be, by making payment out of the grant-in-aid of that institution.

(2)

Failure of the Management to implement the decision of the [Appellate Authority] within the aforesaid period shall be deemed to be a defect within the meaning of sub-section (2) of Section 16-D of the Intermediate Education Act.

5. The courses as finally approved and sanctioned by the Board shall be published in the Prospectus which shall be issued by the Secretary about two years before the date of the examination for which those courses have been prescribed :

Provided that the Board may publish the Prospectus separately for the High School Examinations and the Intermediate Examinations or jointly for both the Examinations :

Provided further that the Board, instead of publishing the Prospectus in respect of all the subjects of any of the Examinations may Publish prospectus for one or more subjects only :

6.

(1)

The Board may, in accordance with the courses as finally approved and sanctioned by it, get the text-books and other connected materials, if any, prepared in respect of subject as it may consider necessary; and after being approved by the Committee of Courses concerned and by the Chairman respectively, the Board shall get them published under the authority of the State Government. The Board shall then prescribe them as text-books.

(2)

For the preparation under Clause (1) of each book of any subject, which includes original writing as compiling, there

shall be constituted the following Boards, viz.,-

- (i)
the Board of Editors/Writers, and
- (ii)
the Board of Advisors.

(3)

(a)

Subject to the provisions of sub-clauses (b) and (c) the Board of Editors/Writers shall comprise the following:

1. One teacher actually teaching the subject concerned to High School Classes;
2. One teacher actually teaching the subject concerned to Intermediate Classes;
3. One teacher of post-graduate/Degree College or University in the subject concerned;
4. One teacher of a Training College;
5. Two Educational Experts/Subject specialists;

(b)

It shall be obligatory to include a teacher of Intermediate classes teaching the subject concerned on the Board, of Editors/Writers constituted for preparation of the book for the High School classes, but no High School teacher of the subject concerned shall be included on the Board of Editors/ Writers constituted for the preparation of the book for Intermediate classes.

(c)

The Chairman, if he considers it necessary, shall have the power to nominate one member in each Board of Editors/Writers in addition to the member mentioned in sub-clause (a) He shall also have the power to fill up a vacancy in the Board of Editors/Writers at his discretion as and when it occurs.

(4)

The Board of Advisors shall have three members who shall be appointed from amongst the outstanding scholars of the subjects concerned.

(5)

For the constitution of the Boards referred to in Clause (2), the Committee of Courses concerned will propose five times the names of the required number. The Chairman will appoint the required number of members for each group out of the said panel provided that if in his opinion, it is necessary for obtaining the services of eminent scholars and subject experts, he may appoint persons from outside the panel.

(6)

The Committee of Courses concerned before finally approving the book may, if it considers necessary, make suggestions to the Board of Editors/Writers during the preparation of the manuscripts.

(7)

After the manuscript for a book has been finally approved, it shall be approved by the Committee of Courses concerned and by the Chairman respectively and thereafter, the Board shall get it published under the authority of the State Government.

(8)

Any book prepared by the board may, after it has continued for four examinations be changed on the recommendation of the committee of courses after obtaining prior approval of the State Government provided that minor changes may be made therein by the board as and when necessary.
