Homoeopathy Central Council (Minimum Standards Requirement of Homoeopathic Colleges and attached Hospitals) Regulations 2013

Published vide Notification No. 12-10/2000-CCH (Part - 3), dated 8.3.2013

Last Updated 8th May, 2019

No. 12-10/2000-CCH (Part - III). - In exercise of the powers conferred by clauses (j) of section 33 of the Homoeopathy

Central Council Act, 1973 (
59 of 1973

), and in supersession of the Homoeopathy (Minimum Standards of Education) Regulations, 1983, except as respects things done or omitted to be done before such supersession, the Central Council of Homoeopathy, with the previous sanction of the Central Government, hereby makes the following regulations, namely: -

1.

Short title and commencement.

(1)

These regulations may be called the Homoeopathy Central Council (Minimum Standards Requirement of Homoeopathic Colleges and attached Hospitals) Regulations 2013.

(2)

They shall come into force on the date of their publication in the Official Gazette.

2.

Definitions.

- In these regulations, unless the context otherwise requires: -

(a)

"Act" means the Homoeopathy Central Council Act, 1973 (
59 of 1973

);

(b)

"attached hospital" means a teaching Homoeopathic Hospital attached to the Homoeopathic College;

(c)

"college" means a medical college of Homoeopathy, whether known as such or by any other name, in which a person under goes a course of study and training including any Post Graduate Course of Study and training, which will qualify him for the award of a recognised medical qualification in Homoeopathy;

(d)

"Courses" means the courses of study in Homoeopathy, namely:

(i)

B.H.M.S. (Bachelor of Homoeopathic Medicine and Surgery)

(ii)

M.D. (Hom.) [Doctor of Medicine (Homoeopathy)] in various specialties.

(e)

"diploma" means a Diploma in Homoeopathy as defined in clause (iii) of regulation 2 of the Homoeopathy (Diploma Course) Regulations, 1983;

(f)

"degree" means a Degree in Homoeopathy as defined in clause (iv) of regulation 2 of the Homoeopathy (Graded Degree Course) Regulations, 1983 or in clause (iv) of regulation 2 of the Homoeopathy (Degree Course) Regulations, 1983;

(g)

"Post Graduation in Homoeopathy" means a Post Graduate qualification in Homoeopathy recognized as per the provisions of the Act;

(h)

"Teaching Experience" means teaching experience in the subject concerned in a Homoeopathic College and includes teaching experience in the subject concerned in a Medical College permitted by the Central Government;

(i)

the words and expression used herein and not defined, but defined in the Act shall have the respective meanings assigned to them in the Act.

3.

Fulfillment of minimum standard requirements.

(1)

The college and attached hospital(s) shall fulfill the minimum standards requirements of infrastructure and teaching and training facilities referred to in the regulations 4 to 13.

(2)

For exposure of the students in the clinical field and to understand the depth of operative surgery and operative Gynecology or Obstetrics as well as management in critical illnesses, a college shall have a Memorandum of Understanding with a reputed nearby located super-specialty hospital (of modern medicine) with all required facilities of operation theatre, labor room, Intensive Care Unit and other required facilities for the management of critical patients.

(3)

In case an attached hospital of a college does not have the facilities to handle operation theatre and other critical patients, the students of such a college can be deputed under the strict supervision of concerned teaching faculty of the college for the required exposure in the said field to the attached super specialty hospital.

(4)

[The existing colleges and their attached hospitals established under section 12A of the Act and those colleges and their hospitals established prior to 28th January, 2003 and recognized by the Central Council of Homeopathy shall obtain the permission of the Central Government on or before the 17th May, 2019 subject to the fulfillment of the following, namely: -

(i)

the applications in Form-1, shall be submitted to the Secretary to the Government of India, Ministry of Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homoeopathy (AYUSH).

(ii)

the existing Homoeopathic medical college shall be eligible for making an application if -

(a)

the Homoeopathic medical college and its attached hospital shall comply the requirements as specified in regulation 4;

(b)

permission of the concerned State Government has been obtained at the time of establishment of the Homoeopathic Medical College and the status of said permission;

(c)

affiliation from a University established under any Central or State Act has been obtained for running the Degree or Post Graduate Degree Course(s) in Homoeopathy and the status of the said affiliation;

(d)

the homoeopathic college and attached homoeopathic hospital shall conform to all minimum standards of requirement as specified in regulations 5 to 13.

(iii)

the application to be submitted shall be accompanied by a fee of two lakh rupees (non-refundable) in the form of a demand draft or pay order payable in favour of "Central Council of Homoeopathy", New Delhi.

(iv)

on receipt of the application from the Central Government, the Central Council shall examine it suitably and conduct an inspection of the Homoeopathic Medical College and Hospital to verify whether the provisions of the Act and the regulations made thereunder have been fulfilled and then submit the recommendations of the Executive Committee of the Council in Form- 2 to the Central Government.

(v)

the Central Government, after considering the recommendations of the Central Council and on being satisfied that the application is in order, shall issue a letter of permission and in the event, the Central Government is to come to the conclusion that the applicant college is not fit to be continued, order of denial shall be passed after giving a reasonable opportunity of being heard to the applicant.

(vi)

the provisions of section 12B of the Act shall apply to the homoeopathic medical colleges which fail to obtain permission within the time specified in section 12C of the Act.]

4.

Requirement of land.

- The land required for establishment of a college including attached hospitals and adequate infrastructure shall be as prescribed in the Establishment of New Medical College (Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College) Regulations, 2011:

Provided that the said land requirement is not applicable for the colleges established prior to notification of these regulations in the Official Gazette.

5.

Requirement of minimum constructed area.

- The college, attached hospital and other allied infrastructure shall have the constructed area as prescribed in Schedule- I.

Provided that the said space requirement shall not be applicable for the colleges established prior to notification of these regulations in the Official Gazette.

6.

Admission capacity.

- The annual intake capacity in undergraduate course will be in the slabs of sixty and hundred. If any college has the intake capacity less than sixty or within sixty one to hundred seats, it has to comply the requirements for sixty or hundred seats respectively, as mentioned in the respective Schedule.

7.

Requirements of teaching hospital.

(1)

The teaching hospital shall fulfill all the statutory requirements of the concerned State or Union territory or local authority to establish and run the hospital and shall submit the updated certified copies of such permission(s) or clearance(s) to the Central Government and the Central Council of Homoeopathy, and the concerned State Government or Union territory shall verify the availability of such permission(s) or clearance(s) before issuing the No Objection Certificate to such applicant college.

(2)

Requirement of beds, bed occupancy and Out-Patient Department attendance: The ratio of students with number of beds, bed occupancy and Out-Patient Department attendance shall be as given in the Table below for B.H.M.S. course:

Intake capacity per year

Minimum number of beds in In- Patient Department

Minimum per day average number of patients in

Out- Patient Department during last one calendar year (365 days)

(1:2)

Minimum per day average number of patients in

In- Patient Department during last one calendar year (365 days)

Upto 60 students

20

120

30 percent.

61-100 students

25

200

Provided that for the Post Graduate courses, colleges have to fulfill the additional requirement of bed in view of the provisions of Homoeopathy (Post Graduate Degree Course) M.D. (Hom.) Regulations, 1989 (as amended from time to time).

(3)

Maintenance of Record of Out-Patient Department and In-Patient Department patients: The college and hospital shall maintain the computerised central registration system for maintaining the records of patients in Out-Patient Department and In-Patient Department, and shall also maintain the Department wise Out-Patient Department and In-Patient Department records, case papers of Out-Patient Department and In-Patient Department patients, laboratory and radiological investigation reports, medicines dispensing register, diet register for In-Patient Department patients, duty roster of hospital staff, birth and death certificates, etc. to substantiate the claim of genuine functional Homoeopathic teaching hospital fulfilling the norms as specified in the sub-regulation (2).

(4)

Space requirement: The hospital shall be suitably spacious to accommodate Out-Patient Department and In-Patient

Department in addition to reception, patients waiting area, dispensing room, dressing room, clinical laboratory, radiology section, medical record-room, operation theatre, labor room, store room, separate wards for male and female, duty rooms for doctors, nurses and other staff required for a functional hospital, and the specification of built-up area in the attached hospital shall be as per Schedule-I(A).

Provided that the said space requirement is not applicable for the colleges established prior to notification of these regulations in the Official Gazette.

(5)

Outdoor Patient Department: The hospital shall have Out-Patient Department section as per Schedule-I(A).

(6)

In-Patient Department: The indoor patient department of the hospital shall have separate male and female wards, and distribution of beds shall be as under -

General Medicine 50% (Acute 10% and Chronic 40%)

Paediatrics 10%

Surgery 20%

Obstetrics/Gynaecology 20%

(7)

There shall be a clinical laboratory in the hospital complex with proper infrastructure and manpower as specified in the respective Schedules for carrying out routine, pathological, biochemical and hematological investigation on the patients referred from out door and indoor department of the hospital.

(8)

Hospital staff: The minimum staff required for the attached hospital shall be as specified in Schedule-II and it shall be liable to be increased proportionately in accordance with the increase in required bed strength.

8.

Infrastructure requirements of college.

- The minimum requirement of constructed floor area and essential facilities for various components of a college will be in proportionate with admission capacity as per Schedule - I (B).

Provided that the said space requirement is not applicable for the colleges established prior to notification of these regulations in the Official Gazette.

9.

Requirements of College.

(1)

Teaching Staff: There shall be minimum teaching faculty as per Schedule-IV for B.H.M.S. degree Course (including for conducting graded degree Course) and for Post Graduate degree course additional as per Schedule - V.

(2)

Teachers or consultants of modern medicine: Teachers or Consultants of modern medicine like Pathologist, Radiologist, Anaesthetist, Gynaecologist, Physician, Surgeon, Ophthalmologist, Pediatrician, Dentist, etc. may be appointed on contract basis or part time or on call basis, and these teachers or consultants shall be in addition to the teaching faculty as prescribed in Schedule - IV.

(3)

Age of superannuation of teachers: The age of superannuation of teachers shall be as per the Central Government or State Government or University Grants Commission norms as applicable to that particular college, and the retired teachers fulfilling the eligibility norms of teachers can be re-employed upto the age of sixty five years as full time teacher.

(4)

Requirement of technical and other staff: The technical and other staff in various units and departments of the college shall be as per the details given in Schedule - VI.

10.

Miscellaneous requirements.

(1)

College Council: Every medical College or Medical Institution shall have a College Council comprising of the Head of Departments as members and Principal or Director as Chairperson.

(2)

The Council shall meet at least four times in a year to draw up the details of curriculum and training programme, enforcement of discipline and other academic matters.

(3)

The Council shall also organise inter-departmental meetings like grand rounds, statistical meetings and clinical meetings including periodical research review in the institution regularly.

(4)

College website: Each and every college or institute shall have its own website containing the following details, which are to be updated in the first week of every month, namely: -

(a)

Details of Director or Principal and Medical Superintendent including their name, age, registration number, qualification, date of joining, complete address with telephone or mobile numbers and subscriber trunk dialing code, fax and E-mail, etc;

(b)

Details of teaching staff along with their photograph, registration number, date of birth, qualification, experience, Department etc;

(c)

Non-teaching staff of college and hospital staff along with their department;

(d)

Details of the sanctioned intake capacity of various courses, undergraduate, as well as, Post Graduate;

(e)

List of students admitted, merit-wise, category-wise (Under Graduate and Post Graduate) for the current and previous academic years;

(f)

Any research publications during last one year;

(g)

Details of any Continuous Medical Education programme, conferences and /or any academic activities conducted by the institution;

(h)

Details of any awards and achievement received by the students or faculty;

(i)

Details of the affiliated University and its Vice-Chancellor and Registrars;

(j)

Result of all the examinations of last one year;

(k)

Detailed status of recognition of all the courses;

(l)

Details of clinical material in the hospital.

(5)

Biometric Attendance: It is desirable to have biometric attendance supported with web camera based computerised attendance system for teaching, non-teaching college staff and hospital staff.

11.

Phase wise specific requirement of new colleges.

(1)

A medical college or institution seeking permission for starting Bachelor of Homoeopathic Medicine and Surgery Course under the provisions of section 12A of the Act, shall have the requisite infrastructure, teaching staff, laboratory facility for the concerned subjects as specified in the Schedule-IB, Schedule-III, Schedule-IV, Schedule-V, and Schedule-VI at the time of inspection for granting permission.

(2)

The permission to establish a medical college and admit students may be granted initially for a period of one year and may be renewed on yearly basis subject to verification of fulfillment of year-wise requirements as mentioned under

sub-regulation (1), and it shall be the responsibility of the college to apply to the Central Council of Homoeopathy for purpose of renewal six months prior to the expiry of the initial permission, which process will continue till such time the establishment of the medical college is completed for passing-out of the first batch.

12.

Qualification of head of the institute or college, hospital and teaching departments and teachers.

- The Director or Principal, Medical Superintendent, Professors, Readers and Lecturers of college and hospital shall have the qualification and experience prescribed in these regulations, and the qualification of teaching staff and hospital staff shall be as laid down in Schedule- VII:

Provided that the teaching experience in the concerned subject of persons appointed as regular teaching staff in the colleges, prior to notification of these amended regulations, fulfilling the prescribed requirements of Homoeopathy (Minimum Standards of Education) Regulations, 1983 shall be counted for appointment of teaching staff as per Schedule- IV to these regulations:

Provided further that the teaching faculty appointed on the basis of the Homoeopathy (Minimum Standards of Education) Regulations, 1983 will be covered under these regulations for all cadres.

Explanation. - for the purposes of this regulation, teaching experience of a Teacher in a subject shall be the teaching experience counted for that subject only:

Provided also that these regulations shall not be applicable on teaching faculty appointed on prescribed post before this notification.

13.

List of equipment.

- To ensure proper provision of teaching and training material to the students, the college shall possess essentially required equipment in various departments, hospital, laboratories, dissection hall, library, pharmacy and other units of the college as per Schedule-III.

14.

Power of Central Council to call for information and returns.

- The Central Council of Homoeopathy shall have the power to call for such information and returns as it may deem fit from examining bodies, and colleges shall furnish the said information and returns in triplicate within the time specified by the Central Council:

Provided that if the examining bodies and/or colleges fail to provide the information and return to Central Council of Homoeopathy within the specified time limit, the said Central Council shall recommend for action against the concerned examining body or college under section 19 of the Act assuming that the concerned examining body or college is not complying with the regulation.

15.

Co-operation with Inspectors and visitors.

- Every college shall provide all necessary information, documents and records to the Inspectors and visitors appointed by the Central Council of Homoeopathy to discharge their duties and functions demanded by them during the inspection.

numbers of charts which should be educative for knowing medicines in homoeopathic Materia Medica. A number of drugs though belonging to one botanical family are taught in different years of Bachelor of Homoeopathic Medicine and Surgery. So, charts showing drugs under one family and their main spheres of action in two to three lines will be helpful for getting broader idea regarding the drugs. Similarly interesting charts on Ophidia groups, Spider family, Nosodes and Sarcodes and other creative charts as mentioned below may be available in the Materia Medica department in addition to other educative materials.

|-

| Typical Picture-wise presentation of drugs (10 charts)

|-

| Department of Repertory:

1. The Department shall be equipped with 05 computers PC/XT models with accessories and five software packages consisting of different repertories, especially Kent, Boenninghausen and Boricke.

|-

| Departmental Library - adequate number of different repertories is to be kept for class demonstration and references.

|-

| 15 charts on Repertory shall be provided.

|-

| Indoor Homoeopathic Hospital shall be well

equipped having functional medical, surgical, gynaecological and obstetrics wards.
