The M.P. Adim Jan Jatiyon Ka Sanrakshan (Vrakshon Me Hit) Rules, 2000

Published vide Notification No. F.23-4-99-25-5, dated 14th July, 2000, M.P. Rajpatra Part 4 (Ga) dated 21-7-2000 pages 225-235

In exercise of the powers conferred by sub-section (1) of Section 11 of the Madhya Pradesh Adim Jan jatiyon ka Sanrakshan (Vrakshon me Hit) Adhiniyam, 1999 (No. 12 of 1999), the State Government hereby makes the following rules, namely :-

1.

Short title, extent and commencement.

(1)

These rules may be called The Madhya Pradesh Adim Jan Jatiyon Ka Sanrakshan (Vrakshon Me Hit) Rules, 2000.

(2)

They shall come into force with effect from the date of their publication in the "Madhya Pradesh Gazette."

(3)

They shall be applicable to whole of the Madhya Pradesh.

2.

Definitions.

- In these rules, unless the context otherwise requires,-

(a)

"Act" means the Madhya Pradesh Adim Jan Jatiyon Ka Sanrakshan (Vrakshon Me Hit) Adhiniyam, 1999 (No. 12 of 1999);

(b)

"Code" means the Madhya Pradesh Land Revenue Code, 1959 (No. 20 of 1959);

(c)

"Bhumisioami" shall have the same meaning as assigned to it in the Code.

3.

The Bhumiswami shall submit an application on plain paper in Form I alongwith a copy of Rin Pustika to cut the trees from his holding to the Collector. The Collector shall register the application in accordance with the provisions of the Code. No application on behalf of the Bhumiswami by way of power of attorney or any other mode of authorisation shall be entertained.

4.

The Collector shall register and send one copy of the application so received to the Sub-Divisional Officer (Revenue) alongwith a letter in Form II, indicating the time limit by which the report should be sent, which shall not more than 25 days.

(1)

The Sub-Divisional Officer (Revenue) concerned shall forward the letter of the Collector alongwith enclosures to the Tahsildar who shall inspect the spot with land record staff as early as possible and firstly demarcate the area and verify the facts mentioned in the application. He shall also count the tree(s), which are proposed to be cut and record the species wise measurement of their girth at breast height and place serial number on each tree. A copy of the demarcation and measurement record shall be enclosed with the report.

(2)

The Tahsildar shall specifically examine the reasons specified in the application to cut the tree(s) and shall report any important and pertinent matter coming to his notice during the course of inquiry. He shall specifically inquire the requirement of fuel and timber by Bhumiswami for his bonafide personal use and record the same in his report. It shall be clarified to the Bhumiswami that the timber allowed for bonafide use shall be subject to a limit of one cubic meter and for which no transit pass shall be issued. He will also opine if the trees in general or any particular tree is required to be retained in public interest, preventing erosion of soil or ecology, etc. The report to be submitted in Form III shall indicate the date/dates on which the spot was inspected by him and the names and designation of staff associated with demarcation and measurement of trees. Members of such staff shall also record a certificate about the work done by them and put dated signature on it. The spot inspection and local inquiry shall be done in the presence of two independent witnesses and the Kotwar of the village and their signature, shall also be obtained on the Panchnama, which shall be enclosed with the report.

(3)

The Sub-Divisional Officer (Revenue) on receipt of report of the Tahsildar in Form III shall satisfy himself to the correctness of the report and shall particularly ensure that there is nothing under cover which will lead to the exploitation of the Bhumiswami. He shall also visit the spot at least in 25% of the cases being forwarded to the Collector. He shall particularly ascertain that the demarcation is based on the revised and latest settlement records and in case the latter differ substantially with the old records, he shall further do necessary inquiry himself to verify the facts :

Provided that in all cases where the Khasra number is adjoining Reserve or Protected Forests, or village forests, it shall be mandatory for the Sub-Divisional Officer to make local inquiries after spot inspection and to ensure that the Government or village Forests has not been included in the demarcation.

(4)

In case the Sub-Divisional Officer differs with any observation of the Tahsildar, he shall record his reasons therefor and clearly indicate the date on which he inspected the spot. Thereafter, he shall forward the total report to the Collector. He will put his dated signature alongwith his full name on this report.

5.

On receipt of report from the Sub-Divisional Officer (Revenue), the Collector shall forward the same alongwith the application of the applicant, demarcation document sent by the Tahsildar and a copy of his report to the Divisional Forest Officer with a letter in Form IV appended to these rules for his opinion about felling of the tree(s) in question. The Collector shall indicate the time limit for submission of the report, which shall not be more than 25 days.

6.

(1)

The Divisional Forest Officer on receipt of letter from Collector shall forward it to concerned Range Officer for inquiry and report after spot inspection, covering all these points mentioned in Form IV in which the Divisional Forest Officer has to report back to Collector.

(2)

The Range Officer along with his subordinate staff shall inspect the site and verify the demarcation of the said land of the applicant on the field and determine on the basis of departmental documents and maps whether or not the land in question is part of the Reserved or Protected Forests. If the land is included in the Reserved/Protected Forests, the Range Officer shall record his finding to the effect and submit a report accordingly through the concerned Sub-Divisional Officer (Forest) without making any further inquiry.

(3)

In case the land on the spot does not come within any Reserved/Protected Forests, he shall proceed further to ascertain, for each tree proposed to be cut,-

(a)

If according to forestry principles it will be proper to cut the tree for which an application is made. All such trees will be numbered.

(b)

Name of species, girth and condition of each such tree and site quality of the area.

(c)

Assumed volume of the produce, i.e., fuel and timber separately, and estimated market value thereof.

He will specifically mention the dates on which he inspected the spot, the names of the subordinate staff and put dated signatures alongwith his full name. Subordinate staff shall also put their dated signatures alongwith their names.

(4)

The Range Officer shall submit the report within 10 days to Sub-Divisional Officer (Forests) who shall satisfy himself to the correctness of the report and valuation of the tree(s). In at least 25% of the cases, he shall visit the spot himself and verify the facts reported by the Range Officer. It will be in question is adjacent to the boundary of Reserved/Protected Forests Block. In case he differs with the Range Officer on any point, he shall record reasons therefor and submit report within 7 days with dated signature and name in full.

(5)

The Divisional Forest Officer after receiving the report from the Sub-Divisional Officer (Forests) shall himself visit the site in at least 10% of such cases. Cases in which there is difference of opinion between the Range Officer and the Sub-Divisional Officer (Forests), spot shall invariably be inspected by the Divisional Forest Officer to ascertain the correct position. Thereafter, he shall prepare a report in Form IV and submit it to the Collector positively within a period of 25 days from the date of the first communication from Collector in this regard. He will put his dated signature alongwith his full name.

7.

(1)

The Collector after going through the report of the Divisional Forest Officer and that of the Sub-Divisional Officer (Revenue) minutely observe if there is any major difference of opinion in which case he shall personally inspect the spot alongwith the Divisional Forest Officer and the Sub-Divisional Officer (Revenue) and from his own opinion about the point of difference.

(2)

In case the Collector is satisfied that permission to cut the specified tree(s) may be granted without prejudice to public interest, he shall grant permission for only such number of specified tree(s) in a year which is within the value prescribed under sub-division (3) of Section 4 of the Act.

(3)

The Collector shall refuse to grant permission to cut the specified tree(s) if it is not expedient to do so in public interest or from the standpoint of principles of forestry.

(4)

Every order passed by the Collector shall be a speaking one and shall contain reasons therefor. The order shall also specify the quantum of timber (subject to the limit of one cubic meter) and fuel-wood, permitted for the bona fide personal consumption of the Bhumiswami.

(5)

The Collector shall ensure that the final orders in each case are passed within sixty days from the date of receipt of application.

8.

The Collector shall endorse a copy of the permission alongwith a letter to the Divisional Forest Officer asking him to complete the task of cutting the specified tree(s) and transporting the produce thereof to the nearest sale depot, within a period of two months. For this purpose the period between July to October shall not be reckoned.

9.

(1)

On receipt of intimation from the Collector, the Divisional Forest Officer shall immediately direct Sub-Divisional Officer (Forests) and Range Officer by name to complete the task of felling and transportation within a specified period.

(2)

The Range Officer shall ensure that the Bhumiswami is informed in advance and is present at the time of cutting and shall keep a record thereof. Stocks of timber and fuel-wood obtained from the cut tree(s) shall be prepared and their list in triplicate shall be prepared in Form VI and signed by the Range Officer and the Bhumiswami concerned. A copy of this shall be handed over to the Bhumiswami on the spot and his dated acknowledgment alongwith signatures of two witnesses shall also be obtained.

(3)

If the Bhumiswami so requires the quantity of fuel wood specified by the Collector and such part of timber, including poles which may be adequate to meet his bona fide personal requirements, shall handed over to him on the spot and his acknowledgment obtained and enclosed with the list, subject to the conditions that the quantity of such timber, including poles, shall not exceed one cubic meter and that no transit shall be issued in respect of such timber. A copy of this acknowledgment shall also be given to him and the rest of the produce, shall be transported by the Range Officer to the nearest sale depot and the Divisional Forest Officer shall be informed in writing accordingly. The list prepared under sub-rule (2) shall also be forwarded to the Divisional Forest Officer.

10.

The cost of cutting, stacking and transportation shall be calculated and initially borne by the Forest Department. In case the services of the Bhumiswami have been taken in any process, he shall be paid for it immediately at the current rates and acknowledgment shall be obtained thereof.

11.

The Divisional Forest Officer shall estimate the market value of the produce received in the sale depot. This estimation will be done as per the procedure laid down by the Forest Department. After deducting actual harvesting and transportation cost from the total market value of the entire produce, in each case, the balance amount shall be remitted to the Collector through cheque/draft within 7 days of receipt of report about delivery of produce to the sale depot. A copy of the valuation sheet regarding the net value of the produce shall be given to Bhumiswami so that he/she knows about the value of his/her tree(s). An acknowledgment receipt will be obtained from the Bhumiswami for the same.

12.

(1)

The Collector shall immediately deposited this amount in the joint account of the Collector and the Bhumiswami in a Nationalised Bank or Central Co-operative Bank branch, which is nearest to the place of residence of the Bhumiswami.

The Collector shall immediately release amount considered adequate to meet the expenses of the express purpose, if any, for which permission to cut the trees was sought. Thereafter, the Bhumiswami shall be authorised to draw a maximum of Rs. 5000/- (Rupees Five thousand) per month from this amount for which an authority on behalf of Collector shall be sent to the concerned branch of the Bank.

(2)

If for meeting any specific contingency, the Bhumiswami wants to withdraw an amount more than that specified in sub-rule (1) at a time, he shall apply to the Collector in writing for the same spelling out the details of the contingency. The Collector shall quickly make necessary inquiry about the requirement, and on being satisfied about the genuineness of the need, shall authorise withdrawal of such large amount as is considered appropriate by him. While assessing the needs of the applicant, the Collector shall also see if such need of the applicant can be otherwise satisfied under any beneficiary oriented welfare schemes available to the applicant, and if so, he shall be helped accordingly and his application for larger withdrawal be rejected /amended.

13.

As the objective of the Act and these rules is to protect the interest of the Bhumiswami, as well as to prevent illegal felling under the Malik Makbuja, it shall be the duty of the Collector to take all possible measures as prescribed in the Act and the rules and for the purpose and he shall utilise all such staff and resources as may be necessary to fulfil the objectives.

14.

Repeal and Savings.

- All rules corresponding to these rules and in force immediately before the commencement of these rules are hereby repealed in respect of the matter covered by these rules :

Provided that any order made or any action taken under the rules so repealed shall be deemed to have been made or taken under the corresponding provisions of these rules.
