G. O. Ms. No. 1442, Agriculture, dated 26th April 1966, S.R.O. No. A-420 of 1966. - In exercise of the powers conferred by sections 4 and 5 of the Nilgiris Game and Fish Preservation Act, 1875 (Tamil Nadu Act II of 1879); sections 26,33 and 63 of the Tamil Nadu Forest Act, 1882 (Tamil Nadu Act V of 1882), and section 6 of the Indian Fisheries Act, 1897 (Central Act IV of 1897) and in supersession of the Nilgiris Fishing Rules published with the late Development Department Notification No. Nil, dated 23rd October 1953, published at pages 378-381 of Rules Supplement to Part I of the Fort St. George Gazette, dated 18th November, 1953, as subsequently amended, the Governor of Tamil Nadu hereby makes the following rules the same having been previously published for general information:-

1.

Short title, application and direction.

(a)

These rules may be called the Nilgiris Fishing Rules, 1966.

(b)

They shall apply to the waters within the area specified in Schedule I to these rules;

(c)

These rules shall remain in force for a period of fifteen to twenty seven years from the date of the publication in the Official Gazette.

2.

Definitions.

- In these rules, unless the context otherwise requires, -

(a)

"Assistant Director" means the Assistant Director of Fisheries having jurisdiction over the Nilgiris District;

(b)

"Director" means the Director of Fisheries, [Chennai]

[Substituted for the word 'Madras' by the City of Madras (Alteration of Name) Act, 1996 (Tamil Nadu Act 28 of 1996).]

;

(c)

"Fishing" means and includes capture of, or attempt to capture, fish by any means including hooks and lines, fixed engines, curves, weirs or nets or by damming or baling of any water;

(d)

"Government" means the Government of Tamil Nadu;

(e)

"Inspector" means the Inspector of Fisheries.

3.

Waters in which fishing is controlled by the Department of Fisheries.

- The Fisheries Department shall control fishing in all the waters specified in Schedules II to IV to these rules.

4.

Prohibition of erection or use of fixed engines, etc., and fishing.

- No person shall-

(a)

erect or use any fixed engine or net for capturing fish;

(b)

use any poison or throw any toxic matter likely to result in fish mortality;

(c)

use dynamite or other explosive substance for fishing;

(d)

fish in any other method in the waters within the area specified in Schedule I to these rules except under, and in accordance with, the terms and conditions of a licence issued in the Form set out in Schedule V to these rules.

5.

Authority to issue licences and the period.

(1)

Fishing licences shall be issued by any officer of the Fisheries Department not below the rank of an Assistant Inspector of Fisheries or any other person, or association authorised in this behalf by the Director.

(2)

The period covered by a licence shall be clearly endorsed on the licence.

6.

[***]

[Omitted by Notification SRO A No. 214181.]

7.

Cancellation or refusal.

- The Officer issuing the licence may cancel the licence or refuse to issue a further licence to any person who fails to

comply with the provisions of these rules.

8.

Fees not to be refunded.

- No refund of the licence fees paid shall be made on any category of licence, (whether used or unused or cancelled), unless the licence is surrendered at least two clear days in advance of the date of commencement of the licence.

9.

Furnishing of information by persons holding monthly and annual licences.

- Every holder of a monthly or annual licence shall send a report in the Form specified in Schedule VI to these rules within seven days of the close of each calendar month during the period of validity of the licence.

10.

Time for fishing.

- No licensee shall fish before 6 a.m. and after 7 p.m.

11.

Rules for trout fishing.

(a)

Trout fishing shall be allowed in all the waters specified in Schedule II to these rules.

(b)

Fishing in the waters specially reserved for trout fishing, and in the tributaries of such waters shall be, subject to the following provisions, namely:-

(i)

The holder of a trout fishing licence may also take any other fish he may catch in the said waters. He may also fish in the waters mentioned in Schedule 111 to these rules, subject to the rules regulating fishing in these waters, but without alterations of the maximum catch of trout allowed on his trout licence, the holder of an annual licence for mixed fishing may, on payment of an additional sum of Rs. 50 (Rupees fifty only) per year or such other sum as may be fixed, from time to time, by the Director, obtain a yearly licence for trout fishing.

(ii)

Fishing shall be closed in these waters including tributaries of such waters during such periods-as may, from time to time, be notified by the Director in the Nilgiris and Coimbatore District Gazette.

(iii)

Fishing in the waters specially reserved for trout fishing or in the tributaries of such waters shall be with artificial fly or flies on a single hook only. No weight in any form shall be attached to the cast, fly or line. Spinning may be permitted in such water or waters by the Director in writing.

(iv)

For the purpose of this rules, "spinning" means the use of artificial minnows, lure or spoon and dead bait (which means dead fish only) used with spinner or by attaching to the hook or hooks a dead fish so placed (i.e. by arranging the tail) as to spin in the water. The use of live bait is strictly prohibited. On no account shall unrequired bait dead or alive, be thrown into the lakes.

(v)

Trolling in the Kukurti, Emerald, Avalanche and Upper Bhavani Reservoirs, within the limits specified on the notice boards in the office of the Assistant Director or Inspector, is permitted during such period as spinning is permitted.

(vi)

All fishes of a length less than that fixed, from time to time, by the Director should be returned alive to the waters where they have been captured.

(vii)

Every licence holder should carry a disgorger.

(viii)

All trout bearing marks by the Fisheries Department of the Government for experimental purposes should, after capture, be surrendered intact to the nearest Fisheries Officer with information regarding the place, date and time of capture.

12.

17.

Cancellation or refusal of licence for conviction or other reasons.

- The officer issuing licences may refuse to grant a licence under these rules to any applicant who has been convicted of an offence against the provision of these rules or for any other reason to be stated in writing and may, on, similar grounds, cancel any licence already granted. When a licence is so cancelled, the fees paid for the licence shall not be refunded.

18.

No refund of fee if declared to be closed for fishing.

- If during the currency of any category of licence, any water or waters or portions of waters thereof either specially reserved for trout fishing or otherwise are declared as closed for fishing for any reason or purpose whatsoever, the holder of a licence for fishing in such waters shall have no claim of refund of the licence fee or any portion thereof in respect of the licence held by him.

19.

Prohibition of the use of more than one rod.

- The use of more than one rod at a time under one licence is prohibited. For the purposes of this rule, a rod which is not in the licence holder's hand, but which is left with its line in the water shall be considered to be a rod in use.

20.

Powers of the Director.

(1)

The Director may, by notification in the Nilgiris and Coimbatore District Gazette,-

(i)
declare, from time to time, that all or any of the waters whether reserved for trout fishing or not are closed or open to fishing; or

(ii)
prohibit the fishing of any particular species of fish in all or any or portions of any or all waters for any specified period.

(2)
